\$300,000
—bad news
with good

William P. Yarbrough, 50, of 2458a Benton St., winner of \$300,000 in the Illinois State Lottery drawing May 15, was arrested at his home by Granite City police at 10:30 a.m. Tuesday on a 1973 warrant charging him with battery.

Serge Donikhan signed a complaint against Yarbrough July 19, 1973, alleging Yarbrough had beaten him. Police were unable to serve the warrant at that time due to an incorrect address.

Officers said Yarbrough's correct address appeared in the news when he won the \$300,000 and they then used the new address to serve the warrant.

Yarbrough was taken to the Granite City police station and he was released after being given a notice to appear in court June 2 for a hearing on the complaint. No bond was required.

EXTENSIVE STORM DAMAGE was caused late Monday afternoon by wind gusts of 60 miles an hour and more. At Gareche Homes, Madison, a roof torn off Building 13 damaged Building 17. An old roof beneath it on the 60x30-foot Building 13 protected the six apartments. Picking up debris are Jim Frey, maintenance

supervisor, and behind him, Edward Foley, Madison County Housing Authority director. Trees, tree limbs and a utility post broke in the Gareche housing area and there was damage to windows, storm doors and metal flashing around the edges of the buildings.

Ruling might flood Parkview

Circuit Judge Moses Harrison this week heard testimony on drainage problems in the Parkview Estates area and ordered Nameoki Highway Commissioner Albert Bell to remove a culvert under the Alton & Southern Railroad tracks north

of Stratford Lane which drains the Parkview area. Louis Whitsell, supervisor of Nameoki Township, said if the culvert is removed, "We are going to flood Parkview Estates and Wilshire Manor."

"In Parkview Estates, some

of the houses will be under water, and in the Wilshire area there will be no place for overflow from the holding pond to go."

Judge Harrison issued the order after hearing testimony on a request by farmers who reside east of the tracks for a permanent restraining order to halt Bell from draining Parkview Estates across their farm land.

The judge also ordered the subdividers of Parkview Estates to return property altered for drainage to its original grade.

Whitsell concluded, "The judge ruled the water runs west when it actually runs east."

The issue started as Bell and the Alton & Southern Railroad began to enlarge culverts under the railroad tracks to improve drainage.

Farmers who contended their farm land was being flooded obtained a temporary

Wind causes damage

A violent storm accompanied by a mobile-sized hail, heavy rains and winds up to 60 miles per hour swept through the Quad-Cities area Monday afternoon, tearing the roof off an apartment building at Gareche Homes in Madison and causing widespread damage throughout the area.

The winds felled trees and power lines in many parts of the Quad-Cities, some of them causing extensive damage when they fell on homes and cars.

At least one person was injured.

The storm hit suddenly at 4 p.m. after developing an hour earlier in West St. Louis County, where it caused extensive damage in the Missouri area of Ellisville and Ballwin and then moved northeast into Illinois.

Legislation for \$2 million bulk terminal at port

The Illinois Senate on Monday evening passed two pieces of legislation, sponsored by Senator Sam Vadalabene, which could prove "vital to the long-range economic health of this area," Tri-City Regional Port District officials said.

Senate Bill 1050 would empower the Port District to apply to the federal government for designation as a foreign trade zone.

The proposal would amend existing Port District legislation to permit the district to apply for foreign trade zone designation when contacted by any industry wishing to operate in such a zone.

The second legislative bill involved expenditure of \$2,750,000 within the Port District area for expansion of present shipping facilities.

It would allow the Port District to finance construction of a new multi-purpose dry bulk transfer facility. "The existing facility on the Chain of Rocks Canal is now operating at capacity," a spokesman said.

The money used to construct the facility would come from bonds of the Illinois Capital Development Board and would be repaid to the state of Illinois from operating revenues of the facility. Such payments would equal 50 per cent of the gross revenue derived.

The bills had the support of local construction trades.

Initial construction would employ approximately 60 full-time workers.

When the project is complete and in full operation, it would employ 25 to 30 people per shift; operating around-the-clock, it would require 60 to 70.

"Equally important is the Tri-City Port's indirect impact on regional employment—both from the standpoint of keeping the existing industry and agriculture competitive as well as attracting new industry to this area," the spokesman added.

The transfer facility proposed to be constructed is part of an

overall development program planned for the Port District by the Southwestern Illinois Metropolitan and Regional Planning Commission.

The bills now go to the Illinois House, where Representatives

Horace Calvo, Joe Lucco and Everett Steele will sponsor the legislation.

John N. Bellico is chairman of the Port District board. Carl A. Rant is general manager and secretary of the district.

Backlog still big for rail car side frames, bolsters

The AMSTED Industries board of directors, which normally meets in Chicago, held its May meeting here Tuesday at the Granite City plant of AMSTED's American Steel Foundries division.

Board members attending were: Joseph B. Lanterman, AMSTED chairman; Goff Smith, the company's president and chief executive officer; R. E. Anderson, chairman, Continental Illinois Corp.

William A. Buzick, former chairman, Consolidated Foods Corp.; O. G. Davis, president, Peoples Gas Co.; John P. Gallagher, president and chairman, Chemtron Corp.

Lester T. Moate, AMSTED executive vice president; Bert E. Phillips, president, Clark Equipment; Dr. John T. Rettigiani, chairman, Banco di Roma (Chicago); Edwin Walcher Jr., AMSTED vice president; and Robert H. Wellington, AMSTED executive vice president.

The AMSTED directors toured the ASF Granite City plant to view the progress on the foundry's current multi-million-dollar capital expansion program.

When this program is completed in early 1978, it will increase ASF's total capacity to produce cast steel side frames and bolsters for railroad freight cars by 20 per cent to about 47,000 cars per year.

AMSTED President Goff Smith said the construction program will enable ASF to help the nation's railroad industry update and expand its freight car fleet.

"Although railroad earnings are at low levels due to the current recession, there still is a continuing need for new freight cars to carry coal for electrical power generation, box cars for grain, and specialty cars to carry propane, chemicals, lumber, autos and piggyback shipments," Smith reported.

AMSTED had record sales and earnings in both the quarter and six months ended March 31, 1975.

Pres. Smith noted, "This was attributable to the continued good demand for railroad products and to prices more realistically reflecting increased production costs, which were not possible under government controls a year ago."

He said that, in recent weeks, there have been some cancellations of new freight car orders, but added, "The backlog for ASF's side frames and bolsters remains at an unprecedented level when compared with prior years."

The ASF Granite City plant is AMSTED's largest manufacturing facility, and it also is the nation's largest foundry producing side frames and bolsters for the railroads.

Memorial Day— Monday? Friday?

Quad-Cityans will be confronted again next week with the problem of two holiday observances, one on Monday and the other on Friday.

Memorial Day is one of five holidays "rearranged" by federal law to provide three-day holidays for workers by moving the holiday from its normal date to the previous Monday. Some states have continued, however, to observe the regular dates in some instances. Illinois is one of these.

As a result, postal services and other federal services will observe Monday as a holiday to conform to the federal law. All local banks, and savings and loan firms also will be closed Monday.

Retail stores will exercise their own options as to which date will be observed. As a result, some stores, along with the Credit Bureau, Associated Retailers Downtown Granite City and Chamber of Commerce offices will be closed Monday.

The Press-Record will observe the regular dates in observance of the regular Memorial Day holiday date and will publish its next issue on Tuesday.

Schools will be open through the Quad-Cities on Monday, but will be closed Friday in observance of the regular Memorial Day holiday date.

All city, county and state offices will close on Friday.

Harlon Keels to lead service

The Rev. and Mrs. Harlon Keel, Granite City evangelists, will conduct a special service at 7 p.m. Sunday at Tri-City Park Tabernacle, 2601 Clark St., the Rev. J. Albert Calaway, pastor, announced today.

The public is invited to attend the special program. Licensed with the Arkansas District Council of the Assemblies of God in 1974, the Rev. Keel has held papers with the Assemblies of God since April 1973.

Originally from Granite City, the Rev. Keel recently held positions as associate pastor at Cullendale Assembly of God in Camden, Ark., and the First Assembly of God in El Dorado, Ark., before entering full-time evangelistic work.

At each church, both the Rev. and Mrs. Keel were involved in youth, music and Christian education programs.

The Keels were married on Sept. 28, 1974, in Festus, Mo., which is Mrs. Keel's hometown.

"We urge all families to attend Sunday's program and hear the young couple," the Rev. Calaway said.

Auxiliary police take first aid training

Members of the Granite City Auxiliary Police unit has completed their final class in the new Red Cross Advanced First Aid and Emergency Care course.

The 24-hour course concluded with a lesson on emergency childbirth and featured a film on loan from the State Civil Defense Film Library. Also included in the advanced course were instructions on emergency rescue by back board in removing victims from automobile accidents and water accidents, how to recognize and care for the victims of a drug overdose, as well as cardio-pulmonary resuscitation. The course is comparable to EMT training.

Chief John Becker, on behalf of the auxiliary police, presented the instructor, Miss Kathy Affolter, with an attache case in appreciation of the time devoted to teaching this class. Miss Affolter, a volunteer American Red Cross instructor, also taught the same group the

14-hour class in standard first aid and personal safety in the fall of 1974. Refreshments were served to the members of the organization and guests, Victor Koenig, civil defense director, Granite City; Harold Mayfield, assistant director, Granite City civil defense; Mrs. Maxine Dunham, American Red Cross first aid chairman and Mrs. Mildred Meehan, executive secretary for the local Red Cross chapter.

Walt Schlemmer Orchestra will disband June 1

An era of crowd-pleasing music will come to an end on the afternoon of June 1 at the American Legion Ballroom in Edwardsville when Walt Schlemmer, well known area bandleader, hangs up his fiddle.

The Walt Schlemmer Orchestra has become an institution in the dance band field, with 29 years of playing music for crowds within a radius of 75 miles of here.

The five-member orchestra, consisting of Elmer Kirchoff, trumpet, Gordon "Piccolo Pete" Routh of Mitchell, saxophone, John Fornasewski of Granite City, drums, "Joey James" Hlavsa, cello, and Walt Schlemmer, leader and bass player, will be appearing together in the final performance.

Two injured

The auto of Pawne Riggs, 16, of 800A Main St., Venice, and Clifford Williams, 25, of 1101 Logan St., Venice, collided at Market Street and Broadway in Venice during the weekend. Williams was charged with careless driving.

Injured in the accident were Angela Williams, 5, of 100A Allen St., Venice, and Carolyn Moore, 20, of 203 Weaver St., Venice, both passengers. Both were treated and released from St. Elizabeth Hospital.

Rites held for Harold Beal, 70

Funeral services were conducted at 11 a.m. Tuesday at the First Freewill Baptist Church in Mount Vernon, Ill., for Harold E. Beal, 70, of 4300 Rose Lane, Apt. 2, Mount Vernon, formerly of Granite City.

He died at 3 p.m. on May 17 at Jefferson Memorial Hospital, Mount Vernon.

Mr. Beal was born in Madison County and was employed at A. O. Smith Corp. for 10 years prior to his retirement in 1966. The family then returned to Mount Vernon.

Survivors include his wife, Mrs. Velma Beal; one son Gary Beal of Granite City; two daughters, Mrs. Deanna Stratton of Rosewood Heights, Ill., and Mrs. Fern Wells of Wichita, Kan.; 15 grandchildren and three great-grandchildren. Burial was in Memorial Garden Cemetery, Mount Vernon.

Venice pupils display stamps, coins

Social studies, reading and art came alive for fifth grade students at Venice Elementary School under the direction of Miss Alice Purdes when the class hosted an open house for parents, teachers and fellow students.

A research unit involving the study of stamps and coins was the main focus of attention, the teacher reported.

Pupils researched colonial America, transportation, space technology, U. S. mintage

regulations, ecology, important personages, presidential hierarchy, U. S. stamp circulation and regulations and procedures for discovering pertinent facts.

Awards were presented to students whose exhibits, excellent in such areas as research information, artistic arrangement, originality and neatness.

First place trophies were presented to Mellany Marchbanks in the coin collection

division and Lisa Harmon in the stamps category.

Second place trophies went to Johnnie Mae Guest and Craig Gray, coins; third place — Donald Chavis and Randall Cowin, coins; and Beth Young, stamps; fourth place — Shonda Harrison, Michael Lynch, Linda Boushard, John Grant and Kim Clark, coins; and Laura Catlett, stamps.

Adjudicators for the exhibits were Mrs. Gwen Dake, Mrs. Linda Knipping and Mrs. Sina Reeves.

Stamp information and materials were donated by the Madison Post Office and display cases for the exhibits were loaned to the children by the Land of Lincoln Coin Club, Assistant Post Chief Charles Hileman of Granite City and Charles S. Kennedy of Collinsville.

About 300 students, parents and teachers attended the open house and inspected the coin and stamp exhibits, Miss Purdes said.

Eisenhower dollars were given as attendance awards to Venice Supl. of Schools Robert Vickers, Mrs. Glenna Brooks, Mrs. Mattie Richard, Mrs. Georgia Farwell, Mrs. Lena Rush and Mrs. Sina Reeves.

Youth musical at Second Baptist

A special musical program presented by The Musical Makers, a group of boys and girls from Suburban Baptist Church between the ages of 8 and 13 years, will be given at 7:30 p.m. Sunday at Second Baptist Church, 2100 Illinois Ave.

Entitled "Hey God, Listen" the musical employs a child's conversing in a simple, friendly and non-religious manner with God.

The children's choir sings numbers centered around the conversations and the choral and solo music is performed in multimedia fashion with slides, taped accompaniment, special lighting props and original choreography.

The Rev. Eugene Dutton, pastor of Second Baptist Church, said the public is invited to attend the children's musical.

Participating youngsters include Mary Grace, Lisa Hendrix, Richard Fuller, Skip Fuller, Linda Mynard, Melissa Simon, Patty Alwan, Scott Ward, Lee Wilhelm, Charles Wilhelm, Kathy Teitloff, Laura Monical, Debra Worley, Christy Wyrostek and Janie Gaggus.

The directors are Keith Monahan, Lynn Burch and Judy Worley.

Allen sparks SUE track team success

Overall improvement, combined with an almost-perfect dual meet record, combined to make the 1975 Southern Illinois University at Edwardsville track campaign the school's best track season ever.

Coach Jack Whitted's Cougars, who completed the regular season during the past week, shattered 11 school records in the process of piling up a 7-1 record.

Victims included always-powerful Lincoln University of Jefferson City, Mo., and an NCAA Division I opponent, the University of Louisville. SIUE is a Division II school.

The Cougars' only defeat came at the hands of another Division I team, Bradley University, by a 77-68 score.

SIUE's biggest improvement came in distance events. Junior Marty Smith, of St. Louis' Riverview Gardens, set a new state record of 3:26.2. Freshman Layne, of Bethalto, broke the old six-mile record with his clocking of 30:51.

In the three-mile, sophomore Kevin Walker, also of Riverview, broke his own school record with a time of 14:34.5. And in the mile run, junior Charlie Simpson of Centralia came out of nowhere to shear 12 seconds off the mile record with a time of 4:11.9.

SIUE's reliable pair of seniors, Allen's Kevin Dooley and Granite City's Mike Allen, again had top-flight seasons.

Allen, the only track all-American in SIUE history, habitually won his two events, the 120-yard high hurdles, and the 440-yard intermediate hurdles, throughout the season.

Allen neatly took the state intermediate hurdle title at Saturday's Illinois Intercollegiate Championships.

Leading going over the last hurdle, Allen hit the top of the obstacle, losing a stride and eventually finishing third with a time of 33.1 seconds.

Dooley added another inch to his school high jump record by topping the 6.9 mark in the Drake Relays.

Both Dooley and Allen, along with three other Cougar tracksters, qualified for the NCAA Division II Championships May 26-30 in Sacramento, Calif. Allen will run in the intermediate hurdles while Dooley participates in the high jump.

Raceway preparing for 'Spring Nationals'

Preparations are under way at St. Louis International Raceway for its first "Spring Nationals" race May 30 through June 1, sanctioned by the American Hot Rod Association as one of the 10 Grand American Series of Drag Racing events held throughout the country each year.

The race will be the first of two Grand American Series races at the local drag racing

facility this year. The annual "Gateway Nationals" is slated for Aug. 1 through 3.

Raceway owner Wayne Meinert, Collinsville, has announced a three-stage improvement program to coincide with the two major championship races slated during the 1975 season.

"We will make minor improvements between now and the Spring Nationals," Meinert

said. "Then we plan to make some major improvements during June and July and during the off-season."

He added, "our timetable calls for St. Louis International Raceway to become the nation's finest drag racing facility by 1977."

This is the first year it has been selected for two Grand American races.

The American Motor Racing

Association, licensee of the AHRA, calls the St. Louis area its prime motor sports market.

According to AHRA President Jim Ties, "We are really excited about our two national events this year."

"We project that the Spring Nationals will draw more than 40,000 fans and about 750 races. It will be the biggest drag race to ever hit Mid-America."

Ties concluded, "Pre-entries, the best barometer of any championship event, are well ahead of the 10-year history of the Spring Nationals."

Early entries include Bill "Grumpy" Jenkins, Malvern, Pa.; Gene Snow, Ft. Worth, Tex.; Don "the Snake" Prudhomme, Grand Hills, Cal.; "Dyno Don" Nicholson, Orange, Calif.; "Kansas John" Wiebe, Newton, Kan., and AHRA World Championship points leader Tom "the Mongoose" McEwen, Fountain Valley, Calif.

About \$100,000 in cash and awards are expected to help draw entries from as far away as Edmonton, Alberta, Canada.

Time trials are set for Friday and Saturday, May 30 and 31, with side-by-side professional qualifying on the schedule for Saturday night, May 31.

Championship eliminations will start at 11 a.m. for the sportmen and 1 p.m. for the professionals Sunday, June 1.

St. Louis International Raceway is located at the intersection of Interstate 70 and Route 203, South of Madison.

BILL RUSICK

Rusick seeded third in state tennis meet

Granite City High School South netman Bill Rusick, 17, has been seeded third in the state tennis tournament among those in singles competition this evening through Saturday at Arlington Heights, Ill.

Rusick, a senior who is at state for his third consecutive year, is the only Quad-City area "survivor" of district tennis competition.

Seeded first in the singles bracket is Ed Staren of Hinsdale Central, who was a runner-up last year.

Matt Harwith, a sophomore from Highland Park, is seeded second, with Rusick in third.

Fourth is Bill Nichols, 17, a senior from Chicago Heights Marion Catholic School. Nichols defeated Rusick in three sets at last year's state tournament.

As a benefit of his high seed, Rusick will receive a bye in the first round of competition. He then must win the remaining six matches to take the state crown.

In the second round, Rusick will meet the winner of the first round match between Jeff Benson of Rockford West and Luke Weeg of Arlington Heights.

South Tennis Coach Richard Harmon predicted Rusick will survive that round and likely will meet Eric Jensen of Chicago Mather in the third round.

He said two of the four top seeded players should meet in the finals for the singles crown.

Harmon believes Rusick has a good chance for the championship.

"He has a good draw. It's all up to how he plays. There's nothing to do now but wait and see," the coach commented.

He noted that Rusick's perfect 27-0 season record has aided the Warrior team to its 17-6 season. "Bill didn't lose a set all year," he reminded.

"This will be his third year at state, so he has state tournament experience, which is important."

Harmon evaluated number one seeded Staren, commenting that he has finished second two years in a row. "He's good and may be in the finals," the coach said.

Regarding number 2 seeded Harwith, the coach said he was not in the state tournament last year and added, "He's an unknown commodity."

"All the coaches in the Chicago area think he is good. That remains to be seen. He has been facing tougher competition up there than we are used to."

Rusick lost in the second round as a sophomore and returned last year to the state event, where he advanced to the

quarterfinals before being eliminated.

Besides having the top seeded singles player, Hinsdale Central is favored to win the doubles and successfully defend its state crown.

Winedale was one of the schools advancing its entire team to the state finals this year.

Other full teams include Lebanon, which won the district here, and Winnetka, Deerfield, Homewood-Flossmoor and host Arlington Heights.

Leading the doubles charge in Hinsdale Central's attempt for the 10th tennis title will be top-seeded Allen Pietel and Ted

Staren (brother of Ed Staren). Doug Cohen and Carey Winkler of Homewood-Flossmoor were seeded second, Paul Wei and John Yeazel of Arlington Heights are third, and Bill Kerr and Bob Frel of New Trier East, Winnetka, hold the fourth seeding.

Competition starts at 4 p.m. today with the first two rounds in singles and doubles. On Friday, competition will continue to produce semifinals in each division.

The finals in both singles and doubles will be held at Arlington High School at about 1 p.m. Saturday. Admission will be \$1 per person.

Long, tough schedule for baseball Braves

The Granite City Braves, a junior division baseball team, will open their summer season Saturday when they host the defending Missouri-Illinois junior champion Ballwin Brewers in an afternoon doubleheader at Wilson Park.

Tentatively scheduled to participate in a pre-game ceremony are Granite City Mayor Paul Schuler and either Bob Buck or Tim Van Gilder or KMOX-TV sports.

The team will open a 50 to 60-game schedule for the local squad, which consists of high school boys 16 and 17 years old.

Formed last year, the Braves won a division title and earned playoff runner-up honors in the tough, 18-team Belleville Area Traveling League, while compiling a 30-11 "rookie" season record.

Coached by Ron Madden and Ray Smith, the Braves will play 38 non-league games and 14 league games, and participate in three tournaments.

A tournament highlight for the players will be the Midwest Youth Baseball Tournament at Belleville July 4, 5 and 6.

Thus far, with only a couple of spots to be filled, the Braves are the only Illinois team entered in the 16-team field. The rest are from out of state, including two squads from Florida.

Though the league schedule is not yet available, the following is the Braves' non-league schedule. Missing are five doubleheaders with St. Louis squads that will be scheduled after July 1.

The league schedule, which is all Sunday doubleheaders should be completed in the next two weeks.

Wilson to attend Western Illinois

Three highly-regarded high school wrestlers have signed letters of intent to attend Western Illinois University, Macomb, next fall.

The trio consists of Mike Lauber, (Chillicothe-Illinois Valley Central), Randy Hill (Glenbard West) and Brian Wilson (Granite City).

Lauber finished his senior season as the fourth best 155-pounder in Illinois, while recording a 33-4-0 win-loss mark. Rauch was fourth in state competition this season at 185 pounds and lost only five times in 30 matches.

Wilson was fourth in the Illinois high school championships in 1974 at 155 pounds and lost out in the final competition this year, although he was 26-2-0.

"We are going to need people at the middle and upper weights next year and, with the caliber of these three, we think we're on our way," said Western Illinois wrestling coach Mitsun Nakai.

Diabetes fast-growing health problem in U.S.

Diabetes is a rapidly increasing health problem. The number of diabetics in the U.S. has grown from 1.2 million in 1950 to an estimated five million.

Treatment with insulin has markedly increased the life expectancy of diabetics. But in spite of insulin, strict diets and oral antidiabetic agents, diabetes is still the fifth leading cause of death by disease in this country — and the second leading cause of blindness.

In the current issue of "Science," the weekly journal of the American Association for the Advancement of Science, staff writer Thomas H. Maugh offers a general review of what is known about diabetes, as well as an outline of current diabetes research.

Diabetes is a disease in which the metabolism of carbohydrates is impaired and that of proteins and fats is enhanced. Ingested glucose or glucose mobilized from the body's reserves cannot be assimilated into fat and muscle cells for use, explains Maugh, and thus builds up to high levels in the blood (hyperglycemia) and is excreted in the urine (glucosuria).

The two major forms of diabetes are juvenile-onset diabetes and maturity-onset diabetes. Both types can strike individuals of all ages.

The main difference is the speed of onset of the symptoms, and the severity.

The juvenile-onset form — also called acute-onset diabetes — begins abruptly, and the full range of symptoms is often exhibited almost immediately. It is the most difficult form to control, and most individuals afflicted with it require insulin.

Manufacturers of insulin estimate there are about 1.25 million insulin-dependent diabetics in the U.S.

Maturity-onset diabetes, in contrast, begins slowly and generally produces milder symptoms.

Individuals with this form can generally control the disease by dietary regulation or with oral drugs that stimulate the release of insulin. But they, too, often develop many of the side effects of diabetes.

There are an estimated 3.75 million maturity-onset diabetics in the U.S. and the number is growing at the rate of about one million every three years.

Many subtypes of diabetes also are recognized.

One example is latent diabetes, a mild form in which the patient displays no overt symptoms but exhibits characteristic responses to diagnostic procedures, such as above-normal concentrations of glucose in the blood after fasting.

Latent diabetes generally progresses to maturity-onset diabetes.

Progress in research on diabetes seemed to slow down in the late 1960s, but it has increased during the past few years.

Epidemiologists have produced evidence that there is a link between viral infection and the onset of diabetes. Virologists have developed model systems in which viruses appear to produce diabetes in animals.

Geneticists have collected evidence suggesting that there are two different forms of diabetes, with different methods of initiation.

Endocrinologists have shown that a second hormone, glucagon, is involved in the

pathology of diabetes — suggesting that much better control of diabetic symptoms can be accomplished by regulation of the concentrations of both insulin and glucagon.

In addition, clinicians and technologists have developed new methods with the potential for providing a more natural regulation of insulin concentration, such as transplantation of pancreases or of artificial pancreases.

Maugh concludes that these developments have not yet met with any significant clinical application, but that they do offer much promise for future use.

LABOR-MANAGEMENT SAFETY COMMITTEE prepares to display the local A. O. Smith plant's sixth Award of Honor. Left to right: Cliff Blankenship, supervisor-safety and training; Alex Dumoulin, assistant manufacturing superintendent; Robert Schumacher, International Brotherhood of Electrical Workers Local 309; John Gill, International Association of Machinists District No. 9; John Goldasich, safety inspector; William Bassett and Art Luer, General Automobile Workers Local 1715; Floyd Scott, project engineer; and Al Thomas, general supervisor-maintenance.

Top safety award to A O Smith here

Employees at the A. O. Smith Corporation's Granite City plant again have earned the National Safety Council's Award of Honor for outstanding safety performance.

This award is the Safety Council's highest honor for outstanding occupational safety records.

Employees who qualify for the honor have reached a level of

performance in safety that is exemplary, the NSC believes. According to the National Safety Council, fewer than five plants in 1,000 ever meet the requirements for the Award of Honor.

This is the sixth Award of Honor earned by the employees at the A. O. Smith Granite City plant since 1955.

HURT AT DANCE
Cedric Steenis, 17, Brooklyn, was admitted to St. Elizabeth Hospital for observation after being struck during the weekend at a dance held in the West Madison Recreation Center, Madison.

PHILPS' CHECKS STOLEN
Blank checks numbered 82 through 300 and a check protector, were reported stolen during the weekend from Phelps Enterprises, Inc., Market Street and Broadway, Venice.

Woman faces forgery charge

Mary Louise Brooks, 17, East St. Louis, was arrested during the weekend by officials and security officers of the First National Bank in Madison and was charged with forgery.

She allegedly attempted to cash a \$200 check which had been reported stolen last week from the Edith Shelton Nursing Home in East St. Louis. Numerous checks taken from the facility have been cashed elsewhere, it was alleged.

A St. Louis woman who was with the Brooks woman also was taken into custody as a material witness, later being released.

84 Lumber Co. has opened its 100th retail lumber distribution center in Pompano Beach, Fla., according to Joseph A. Hardy Jr., president. The 100th store was one of seven new stores 84 opened in recent months and the lumber chain plans to open 15 more stores this year. The company operates a store at Route 111 and State Aid Route 38.

In addition to the lumber distribution centers, 84 also is entering the Home Center field with these 84 Junction stores, Hardy said. These stores will cater to the homeowner and remodeler with an expanded

inventory of kitchen cabinets, bath sets and vanities, builders hardware, plumbing, electrical supplies and an automotive department. Two new 84 Junction stores have been opened in Cresson, Pa. and Charleston, W. Va. Ten more 84 Junction stores are planned this year. 84 expects to continue its 20 per cent annual growth rate in 1975. "Our inventory is designed primarily for the do-it-yourselfer and remodeler," Hardy noted "and we expect to make significant sales gains this year whether residential building picks up or not."

CERTIFICATE AWARD for completing a state seminar on emergency preparedness, presented to Victor Koenig, left, Granite City director of Civil Defense, is examined by Koenig and Mayor Paul Schuler. Koenig attended the weekend seminar in Springfield earlier this month. The seminar was conducted by the Illinois Civil Defense Agency and the Office of Emergency Preparedness.

Complete banking courses

Eight employees of the First National Bank in Madison have completed courses offered by the American Institute of Banking and St. Louis University Graduate School, according to Andre N. Gitten, president of the bank.

The AIB is the educational section of the American Banking Association, which offers courses at all levels of banking.

Those who have completed courses are Jane Tarsafian, economist; Betty Gidycz, principles of banking operations; Sharon L. Jackson, Dorothy L. Shoben and Margaret M. Lee, supervision and personnel management; Walter Blumhagen and John E. Lee III, bank management.

accepted in the Illinois Banking School sponsored by the Illinois Bankers Association. In June he will begin a two-year work study program in bank management offered in cooperation with SIU at Carbondale.

As part of Senior Citizens Week which began today and will continue through Saturday, the bank will sponsor a tour of senior citizens through the bank's drive-in facilities on Thursday at 10-50 a.m. A demonstration of the drive-in pneumatic tube system will be presented.

EXTINGUISH FIRE: An electrical heating tape short-circuited and caused insulation to burn on the water pipe to the mobile home of Mrs. Pauline A. Parkins, 4 Parkins West, during the weekend. Granite City firemen were at the scene in flames removing the burning insulation.

MORTISE-TENON JOINTS

The hardest use will not affect the rugged strength of an AristoKraft Cabinet. The mortise-tenon joints lock every part together tightly... each joint is carefully nailed and glued as an added precaution. An AristoKraft cabinet installation will be as strong years after it is installed as the first day.

CENTER GUIDE METAL DRAWER RUNNERS

Drawers in AristoKraft cabinets have positive opening and closing action because they are center guided on steel track, mounted under the drawer. Nylon rollers make opening and closing smooth. Steel corner braces are used in base cabinets. A floating guide automatically adjusts drawer front centrally.

HEAVY DUTY ADJUSTABLE SHELVING

Combining the flexibility of shelves that are adjustable at five positions plus the strength of particle board shelving, AristoKraft brings you convenience plus strength without worry about shelf loads. Plastic T-mould edging is used for durability.

Bills would curb state education board power

The State Board of Education and the Illinois Office of Education voiced their opposition Friday to two bills currently before the Illinois General Assembly which would strip the State Board of Education of its certification authority and make substantially change membership of the State Teacher Certification Board.

In a letter urging legislators to reject the bills, State Superintendent of Education Joseph M. Cronin said Chairman Jack Witkowski said.

"The General Assembly has in the past 10 years tried to consolidate the overall responsibility for elementary and secondary education under the State Board of Education. This legislation would obliterate this unified responsibility which has been a major achievement."

"It would place the State Board of Education in the same position as the local school boards, with no financial responsibility for the operation of the public schools, with no influence whatsoever over the personnel policies of the professional employees working within that system."

Under the new legislation, teaching certificates would be granted by the certification board "and not by the State Board of Education."

In addition, the certification board would assume primary responsibility for determining the amount and kind of teacher training necessary for certification.

Cronin and Witkowski added, "Probably the certification board's most important function is its approval of instructional programs for preparation of teachers. Numerous courses are administered by both the public and private colleges and universities throughout Illinois."

"To transfer this teacher training responsibility to an agency totally independent of the State Board of Education and composed primarily of practitioners is not wise educational policy."

House Bill 2122 would give the certification board responsibility for selecting and approving regulations for teacher certification, a responsibility which would be taken over by the State Board of Education.

A similar bill in the Senate (SSAB) also reverses the roles of the certification agency and the teacher certification board, limiting the state superintendent to an advisory-only role to the certification board.

Under House Bill 2121 and Senate Bill 546, composition of the 14-member certification board would be changed, giving two-thirds to the independent of education and two-thirds to education and university representatives.

They would be replaced by two members of the State Board of Education and an additional two members, thereby cutting the number of teachers on the board to seven.

The elimination of many professional educational organizations, as well as the representation of both public and private colleges of education, should be strong testimony regarding the serious consequences of this legislation," Cronin and Witkowski concluded.

John Haynes appointed to Madison recreation post

John Haynes, former Fifth Ward Alderman, was appointed assistant recreation director for the City of Madison by the Madison City Council Tuesday evening.

Haynes replaces his wife, Mrs. Christine Haynes, who has served in that capacity for a number of years.

John Carlson was reappointed recreation director for the city.

"I would like to take this opportunity to thank the council and the mayor. This gives me a chance to continue to serve the people of West Madison," Haynes said.

"I would like to call special attention to the fact that we have the applications for senior citizens available at the West Madison Memorial Center so they may get back money on taxes they have paid. The people making application need to know how much taxes or rent they have paid, and what their income is," he said.

Alderman Richard Kismar of

the Second Ward introduced Mrs. Ann Garcia who presented a petition to the council, with 125 names, asking that the council hire Auxiliary Policeman Donald Wilson as a full-time police officer.

It was explained to Mrs. Garcia by the city attorney that under the state law Officer Wilson was a year over the maximum 35-year age limit for a police officer. Wilson is employed full-time as an auxiliary policeman under the Manpower program.

Several residents of the East Madison area voiced complaints against a grocery store that allegedly is creating health problems. Mayor Mike Sasyk told the visitors at the council meeting that he and the city health officer will investigate the complaints.

Alderman Kismar was asked by Mayor Sasyk to see what arrangements can be made to increase police patrols in the

East Madison area in view of complaints against teenagers creating problems.

Mayor Sasyk said the schools will be asked to inform all students that curfew laws will be enforced.

"Our crime rate is going down," Mayor Sasyk said. "I would like to call attention to the April report. A year ago we had 59 major crimes and this year in April we had 54. This is at a time when crime is going up everywhere. We still want to do an even better job and welcome the suggestions and cooperation of the citizens to keep our crime rate down."

The April police report indicated burglaries decreased from 23 last year in April to 13 this year. Thefts increased by eight over a year ago.

In other action the council approved the Illinois Department of Local Roads request to resurface Madison Avenue (Illinois Route Three) with city paying \$1,500 of the cost, and approved payment of \$27,365 in bills from May 7 to May 20.

Mayor Sasyk instructed the Finance Committee to meet with the department heads to prepare new city budget.

A preliminary report on the cash receipts and disbursements of the general fund for the fiscal year May 1, 1974 to April 30, 1975, was given to each alderman to study and bring back to the next council meeting.

"I would like to compliment the heads of our departments for holding the line in spending. We anticipated we would have around a \$75,000 deficit this year, but it looks like it will be only about \$4,000. Every year money becomes harder and harder to come by and next year we will have to continue to keep our belts tight," the mayor said.

Two arrested

Jack L. Gallia, 23, of 1619 Delmar Ave., was charged with two counts of assault and Tom Morris, 21, of 2121 Cleveland Blvd., was charged with disorderly conduct following an alleged disturbance at the home of Alvin Brown, 1708 Edison Ave., at 8 p.m. Tuesday.

Brown and John Hurd signed complaints against the two, alleging they made threats. Gallia also was charged with not having a driver's license.

Catering, picnic baskets offered at River Festival

For Eleanor Alexander, the catering manager of the Southern Illinois University at Edwardsville Food Service, the eight-week-long summer concert season of the Mississippi River Festival (MRF) really began during the cold snows of January.

As MRF Food Service site manager, Mrs. Alexander started "at the first of the year getting ready for this season. And we anticipate that for 1976, the season may never really end. We'll probably be working year-around," she comments.

Because of the large number of events scheduled for this summer's festival, Mrs. Alexander has had a particularly busy time trying to stay one step ahead of the coming crush of hungry concert-goers. And the personal service that Food Service can offer special groups does not make things any easier.

"We offer a personal type of catering service," she pointed out, "which means that we can fit a menu to any group's likes when we are catering for them. That's unlike some caterers, who have a three or four-item menu which the group must pick from. With us, you can choose anything from a fancy buffet to fried chicken."

This year, for the first time,

the Food Service caterers will be offering a special 30x30-foot tent for those groups desiring special catering.

"It's the first year we've had such easy access for groups like this," Mrs. Alexander pointed out. "And we've already had initial contacts for some of this summer's concerts."

The numbers, she is finding out, are just as varied as the menus. One group has just a few dozen, while another has about 150. "We're going to be preparing for groups of just a dozen or so up to those who have hundreds."

Those who are interested in having Food Service cater a special meal for them at the Festival site should contact Mrs. Alexander as soon as possible, because, she points out, "there are a lot of dates, but some concerts will be filling up fast—and somebody may already have the night you want scheduled."

Along with the special catering service, Food Service will also be offering at the Festival site "the basic sandwiches," said Mrs. Alexander, "like hamburgers, hot dogs and barbecues, as well as box lunches."

The box lunches, which include chicken, fish, pork steak, roast beef and ribeye steak, will be offered in a staggered

menu pattern. Three of the five basic box lunches will be available on any given night.

Another special program offered at this year's Festival for the first time will be a picnic basket program.

By calling at least 48 hours in advance, a single individual or a large group can order a picnic basket full of food ready for eating.

The menu includes a "Fiesta Cheese and Fruit" basket, which has imported and domestic cheeses and fresh fruit; an "All-American" basket which includes fried chicken and potato salad; a "Southern BBQ" basket of old-fashioned Southern barbecued ribs, baked beans and corn cobbles; or a "Continental" basket of veal cordon bleu, rice pilaf and tomato-asparagus salad as well as a loaf of French bread.

The baskets are all under \$4 per person.

Mrs. Alexander said that for those who desire it, a special basket can be put together by calling Food Service and arranging the basket in advance.

"The baskets are for just one, or for the whole family," she said. "You can follow our menu or create one of your own."

"The picnic basket, together with the Festival site itself, makes for a perfect picnic atmosphere in which to enjoy one of the concerts."

PICNICKER'S CHOICE. Peggy Drainer of Wood River, a senior majoring in business at Southern Illinois University at Edwardsville, prepares an exhibit of the picnic food basket choices which will be available this summer at the Mississippi River Festival on the SIUE campus.

Venice school income cut to aid refugees

Assessed property valuations in Venice for 1974 on which the 1975-76 school revenue are based have dropped \$376,226 below the 1973 valuation of \$32,282,268, the Venice Board of Education was advised Monday night.

Venice Supt. of Schools Robert N. Vickers said the 1974 assessed valuation for the

Venice School District is \$31,916,000. The reduced figure is expected to decrease revenue received by the district by a total of \$16,834. Vickers said that most of the "lost" assessment stems from a decrease in property value assessment allowed to the Union Electric firm.

In other business, the board decided June 2 to June 5 holidays, with the 1974-75 school year formally concluding Thursday, May 29.

Vickers said the four dates eliminated from the current school calendar represent emergency days remaining unused. The 1975-76 school year for Venice pupils will start Aug. 25.

For the first time in the Venice School District, secondary level vocational education will be initiated next fall under the Trainable Mentally Handicapped (TMH) program.

High school age youths enrolled in the program will attend sewing and home economics classes at the Venice school and similar training programs at the OATH workshop in Madison. Funds for the TMH project are available from federal and state sources, Vickers said.

Harold Koelker, a member of the Venice custodial staff, was hired as head custodian, replacing Richard Misher who has retired.

Ruling

(Continued from Page 1)

restraining order to halt the work.

The railroad, the township and the highway commissioner were named in the suit seeking a permanent injunction to halt drainage across the farm lands.

The township later was dismissed as a party in the suit. Supervisor Whitsell said he has asked the town board's attorney, H. Carl Runge Jr., to meet with Bell's attorney, Nick D. Vasiloff, and see if the township can get an injunction against Bell to keep him from removing the culvert.

Bell also may appeal Judge Harrison's order, it was noted.

Collection

(Continued from Page 1)

and postage, \$300 for rent, \$280 for the collector's bond and \$500 for contingencies. That and Peck's salary bring the cost for the township collection of taxes to \$10,656.

The question of the role of the township tax collector has remained unresolved since the 1970 Illinois Constitution abolished the former means of paying a township collector with a percentage of the taxes he collected.

Tax collection then became the duty of the county treasurers' offices. Some townships have continued to use the township collector, but in order to find ways to pay him legally, while many have turned to the county for tax collection.

The status of the Nameeki Township issue was summarized Tuesday in a letter by Township Supervisor Louis Whitsell to Peck. The text of that letter follows.

"Since the township attorney issued the opinion that the Board of Auditors may legally appropriate township funds to pay for the collection of taxes, but the county treasurer is the only one authorized by law to do the job, it will be necessary to reach a final decision no later than May 27 at the township budget hearing.

"The Town Board requested that Musso be appointed to collect taxes to appointing you as a deputy collector.

"On May 19, Musso and I had a discussion on the issue, but he is of the opinion that a deputy collector should not be appointed because the electors have already elected a town collector. He said that if he would start this, anyone could be appointed to do the job, regardless of whether they were elected or not.

"Musso said he is willing to turn the books over to any tax collector who requests them. Some townships are continuing their own collection. The county treasurer's office will collect for those townships who do not.

"Legislation passed in 1974, (House Bill 194), allows counties to bill and make bodies a charge for tax collections. Madison County has implemented the legislation which means that the income formerly called excess fees were retained by townships, will be called a service charge. It is not clear to me whether townships can collect this service charge or not.

"Musso has also designated every bank as a depository for tax collections, so that any bank teller may collect taxes.

"We have long supported the convenience of local tax collections and also economy in government, which makes the decision difficult for each board member.

"I am sorry that the meeting with Musso did not help our situation, as I hoped it would, but the fact still remains that you are another elected official that the state legislature has confused with their continuing efforts to eliminate township government.

"A copy of this letter will be sent to each member of the Township Board. Please document any information related to this subject that you might have in your possession to aid in their decision," the letter concluded.

A public hearing on the tentative town fund, general assessment and federal revenue sharing budgets will begin at 7 p.m. Tuesday, during which the public will be given an opportunity to voice opinions and recommendations.

The Town Board meeting will follow the public hearing and proceedings involving the budgets, including the collector issue, must be ironed out before the meeting concludes, so the budgets can be passed.

a half an hour in this area, temporarily flooding streets.

The rain was so heavy at its peak that motorists were forced to park until the worst of the storm had passed.

Some damage was reported from nearly all parts of the area, ranging from pea-size to that of marbles. Some motorists reported windshields broken by hail stones in areas where the hail appeared the heaviest.

Some windows were reported broken by the hail.

Most of the damage resulted from uprooted and broken trees and falling limbs that knocked down power lines "by the hundreds."

Weather service officials attributed the storm to the collision of a weather disturbance aloft and unseasonably warm temperatures at ground level.

The mercury hit 91 degrees at 2:41 p.m.; a record for the date. The old record was 90, set in 1972, and the normal high for May 19 is 87 degrees.

The only injury attributed directly to the storm was that of Kenneth Wahling, 54, of Holiday Mobile Home Park, who was hurt when a sign was blown through the air, striking him in the head. He was treated at St. Elizabeth Hospital for a cut over the left eye and released.

At Garesche Homes in Madison, part of the Madison County Housing Authority complex of 25 buildings, each containing from four to six apartments, was damaged when the wind lifted the roof of building 13 and did other damage to building 17.

Edward Foley, director of the housing authority, said he has no immediate estimate of the damage but that he expects it will mount "into several thousands of dollars."

He said water damage at building 13 was prevented by a second roof covering that was not removed by the wind. Metal flashing was damaged on building 17 and windows and doors were broken in several other buildings, Foley said.

An Illinois Power Co. utility pole in the apartment complex broke and residents of several buildings were without power from the time of the storm until 8 p.m. Work crews had most of the debris cleared up by mid-morning Tuesday.

Granite City Street Superintendent Lionel Pottel said the trees and limbs downed throughout the city "were almost countless." He said seven men using five trucks and a high-lift had the major street blockages cleared away by 8 p.m. Monday.

He said power interruptions knocked out traffic signal lights at a number of locations. These included Cleveland Boulevard and Niedringhaus Avenue at Madison and Madison Avenue and Niedringhaus and 23rd Street and Madison Avenue. The wind blew over stop signs at Nameeki Road and Madison Avenue and the lights were removed until they could be replaced.

Police were flooded with calls during the peak of the storm and immediately afterward concerning trees blown over and power line damage. The storm also was the apparent

United Methodist Bishop Lance Webb today called on pastors and churches in Central and Southern Illinois to consider sponsorship of refugee Vietnamese families.

Refugee families and individuals are being housed temporarily in camps around the country.

"Surely," said Bishop Webb in a letter to 1,200 churches, "it is our desire as Christians to help these refugees begin their new lives in communities here as quickly as possible."

An emergency call from the United Methodist Committee on Relief to the U.S. demobilization fund for immediate sponsorship of 500 families. Bishop Webb asked Central and Southern Illinois churches to sponsor at least 15-20 families.

The church spokesman said sponsorship includes temporary housing—as part of a family, if necessary—until other living quarters are found, and assistance in finding employment for the resettled family.

\$125 cash stolen

A small tan cash box containing \$125 in bills and coins was stolen from the rear of the car at Plaza Laundry Mat, 2490 Nameeki Road, during a burglary reported Monday.

Four glass slats in a window were removed to gain entry to the furnace room. A door to the customer area then was forced open and was broken. Some keys were in the cash box.

cause of triggering several burglar alarms at business establishments.

By 4:08 p.m., police received calls on 12 downed power lines and an uprooted tree in the 2500 block of State Street that fell across the street and blocked traffic. Three multiple-car accidents were reported in a span of 20 minutes, one at 23rd Street and Madison Avenue, involving three cars; one at 2200 Madison, involving four cars, and one at 3164 Aubrey Avenue, involving three cars. There were no injuries in any of the mishaps.

A large tree was blown over at the home of Delma Elmore, 742 Twenty-seventh Place. It fell across the garage and the back of the tree struck the back door, pushing its way into the kitchen.

The wind uprooted a tree at 512 Washington Avenue, Venice, knocking down a power line. The fire department was called but there was no fire. A tree also was blown down and fell across a car at 1928 Adams St.

Venice and Madison police reported a large number of trees and limbs blown down and street crews worked through the evening cleaning up debris. A spokesman at Illinois Power Co. estimated that the number of power outages resulting from the storm ranged from 400 to 500 in all parts of the area. Only one transformer was knocked out by lightning and there was only one instance in which an entire power circuit was knocked out, he said.

The remainder of the problems were due primarily to falling trees and limbs which knocked out individual services by tearing down power lines.

Work crews worked through the night and most customers had power restored by 11 p.m., he said. The one circuit that was blocked in the Bend Road-Layton Road area near Horseshoe Lake was not restored until 5 a.m. Tuesday, the spokesman said.

Donald Schneide, 714 Layton Road, in the Bend Road area, reported at 5:13 p.m. that a funnel cloud had touched down on his property, damaging his home and uprooting many trees, of which two fell on his house.

He said one large tree smashed the front of his home and another hit the rear, tearing apart the rear porch and roof. Windows in the front and rear of the house were broken.

Power lines were downed as well as a few utility poles in the area, which is just southwest of Horseshoe Lake. A neighbor said his shed also was damaged.

Another funnel cloud was seen over a mobile home park in Goddard which was described as coming from the south. The tornado did not touch down and was described as at tree-top height when it went over the mobile home park.

One woman said the wind was so strong it blew her off her porch. A screen blown from a trailer window was the only damage reported in the park.

The wind also did extensive damage to the Do It Yourself Home Center at Route 111 and State Aid Route 35, damaging a large section of the building and materials stored outside.

State track rivalry fierce in hurdles, many other events

GCHS South and North and Madison are well represented but are not being rated as favorites in this weekend's state track and field competition.

East St. Louis (Sr.) and Rockford (East), two schools which have made a lot of news this year, may "stop the presses" in Class AA competition in the first edition of the Illinois High School Association (IHSA) boys' state track meet on the blaring Tartan track of O'Brien Field on the campus of Eastern Illinois University, Charleston, Ill.

Preliminaries in both the field and running events in both Class A (for schools with enrollments of 750 or less) and Class AA (for schools with enrollments of 751 or more) will get under way at 9 a.m. Friday.

Finals in each of the 17 events in both classes will be contested Saturday, beginning at noon.

Tickets for each contest, priced at \$1.50 each, will be on sale at the O'Brien Field Ticket Office on both days.

The Granite City athletes are in the AA tourney and Madison entrants are in Class A.

East St. Louis' Flyers, who finished second in the Class AA football playoffs title game and third in the Class AA state basketball tournament, are gunning to wind up the spring sports season with the Class AA track title. They are led by fast sprinters and field event standouts.

Rockford (East), the Class AA football champion, will send a small army to Charleston, and also has ambitions of claiming the team title.

In Class A, Maple Park (Kaneland), Lebanon (remember distance star Craig Virgin) and Granville (Putnam County) are expected to be headed for a three-way battle for the first small school title since 1925, when the IHSA abandoned its previous classification format.

The potential of East St. Louis is almost unlimited. The Flyers will send Marvin Edmunds (9.9) into the 100-yard dash battle, Marvin Townsend (1:56.3) in the half mile, Barry Crayton (6:01.0) in the shot put, Kellen Winslow (170-11) in the discus, Maruice Tolson (46-1 1/2) in the triple jump, and relay teams with sizzling times of 42.9 in the 440 race, 1:28.1 in the 880 race and 3:23.1 in the mile chase.

Rockford (East), however, can counter with Jerry Holloway (an all-time state best of 47.2) in the quarter-mile, Andy Bergstrom (1:55.5) in the 880, Mark Trojner (4:18.4) in the mile, Dan Gilchrist (9:16.1) in the two-mile, Holloway again (14.1) in the 120-yard high hurdles, Russ Pope (37.8) in the 330-yard low hurdles, and relay units of 42.7 in the 440 and 5:32.8 in the mile.

And while these two teams challenge for the title, the mini-wars for individual honors could produce a bundle of records.

Holloway must beat Ed Hatch of Chicago (Phillips) in the 440. Hatch posted a 48.4 to qualify, and was the pre-season favorite in that event. They should duel in the anchor leg of the mile relay, too.

Evans' Nat Page, who cleared 7-0 in the high jump and appears to be a solid bet to repeat his title in that event, also could be a winner in the 120-yard low hurdles, where he posted a district-leading 13.8.

How he fares against Holloway in this event, along with Greg Foster of Maywood (Proviso East), who also hit 14.1, could determine the outcome of the team chase.

Foster roared to a 37.3 in the

330 low hurdles in the district to rank No. 1, but Rick Moss, Mattoon's stellar halfback, could challenge, along with Pope of Rockford (East) and Robert Townes of Chicago (Lindblom).

Shot put competition may be awesome, with the 100th-best district mark being 56-8 1/2, by John Sikich of Calumet City (T. North), while the district leader was John Marks of Oak Lawn (H.S.), who hit 61-6 1/2.

The state pole vault mark could fall to Schaumburg's Bruce Mehlig, who went 15-9 1/2 in the district.

Alton's Larry Perry rates as a strong contender to take both the long jump and triple jump, where he soared 22-9 1/2 and 47-0, respectively. He is defending long jump champion.

Putnam County of Class A will build its title hopes around sprinter Steve Safranski, who went 22.3 in the 220 and 29.3 in the long jump. He also anchors the school's district-best 440 relay.

Kaneland boasts the leading quarter-mile qualifier in Mark Claypool (49.5), the top half-miler in Ron Ackerman (1:45.2), the top 330-yard low hurdler in Larry Will (38.5) and the top mile runner (3:25.7), while Claypool also is a contender in the triple jump with a second-best 45-4 1/2.

The record-tying 38.2 seconds run by GCHS South's Tom Schooley in the May 16 district meet is the seventh best in the state in last week's Class AA district competition. And Schooley has run it as fast as 37.9.

In the 330-yard hurdles last weekend, Greg Foster of Maywood (Proviso East) ran the course in 37.3 seconds. Robert Townes of Chicago (Lindblom) in 37.6; Rick Moss of Mattoon, Robert Breeding of Rockford (East) and Russ Pope, Rockford (East) each in 37.8; and Tom Slack, Wheaton (Central) in 38.0.

Schooley also qualified in 120-yard high hurdles, as did the Warrior mile relay team, Tom Boyd in discus, Dwayne Perry in the mile run and Doug Hartman in the shot put.

GCHS North qualifiers are Ed Opiok, shot and discus, Tom Stevenson long jump, Rick Demaree high jump, Larry Schleicher half-mile run and Bob Sampson pole vault.

Madison's Class AA state qualifiers are Joe Young in the 100-yard dash, Mike Williams in high hurdles and the 440-yard relay team.

Quad-Cityans on 3 teams for Legion baseball season

Formation of a new American Legion baseball team this year has increased the District 22 Legion baseball league roster to 12 teams, including Granite City and Venice-Madison.

District headquarters at Highland reports the 1975 league roster also includes Highland, Fairview Heights, East St. Louis, Collinsville, Edwardsville, Cahokia, Belleville, Fairview Heights, O'Fallon and a newly-formed Glen Carbon team.

Tri-City Post 113 and Venice-Madison Post 307 teams are composed of Quad-City high

school and college players.

Glen Carbon Post 435, comprised mostly of GCHS North players and nicknamed the "Steelers," is making its initial appearance in league competition.

Both Post 113, coached by GCHS South's Conrad Champion, and Post 307, coached by Bill McCune of Madison, will start their 1975 schedule Saturday, May 31.

The Glen Carbon team, coached by Granite City's Jim Reiter, opens its 31-game schedule at 1 p.m. Saturday in a non-league doubleheader at Gillespie, followed on Wednesday, May 28, with a 6 p.m. non-league contest at Wilson Park against the Granite City

Braves traveling ballclub.

Reiter told the Press-Record his squad will then face some tough competition in an eight-team tournament at Carlyle May 30-June 1 which includes participants from Carlyle, Ferguson, Mo., Alton, Mount Vernon, Lawrenceville, Cincinnati, Ohio, and the Southwest Kwanis Club of St. Louis.

Sponsored in part by the Mitchell Athletic Association, Post 435 begins its regular league season at home on the diamond at GCHS North against Alton on June 7.

"We have recruited some of the top players from GCHS North and also picked up two fine players from South High," comments Reiter.

Tight point battle at race track here

Late model and sportsman division stock car racing enters the fifth weekend of competition here Saturday at Tri-City Speedway, with a closely contested battle for first place in late model point standings being waged between Missouri's Russ Wallace and Bill Meyers of Rosewood Heights.

An added attraction to the regular auto racing program, which begins at 7:30 p.m., will be the appearance of Southern Illinois Quarter Midget Association cars and drivers on a marked-off one-twentieth-mile track.

Wallace, who posted his

second straight feature race win during the weekend on the half-mile dirt oval, leads the late model contingents with 1,390 points, trailed by Meyers with 1,320 and defending track champion Len Gittermeier with 1,120.

Five Granite City drivers occupy top spots in the sportsman class point standings. Mike Wallace of Missouri has 1,015 points, Kris Krohn of Missouri has 785 and Granite City's Dean Aerie and Jack Yates each have 575 points.

Three other Granite Cityans fill the next three spots — Tim Allen with 520, Rod Bailey with 490 and Larry Yates with 475.

The Southern Illinois Quarter Midget Association is comprised of race car drivers aged 5-16, both boys and girls, who compete weekly on a small race course near O'Fallon, Ill.

The youthful competitors pilot tiny cars which resemble go-carts powered by one-cycle and four-cycle engines. The engines are air-cooled, with direct drive power.

The midgets have a full covering fiberglass body with an open cockpit.

Heading the list of quarter-midget drivers who will compete here are feature race winners earlier this week at O'Fallon: Junior novice division — John Ramek, Glen Carbon; senior novice division — Frank Garrett, Alton; junior stock division — Billy Wortman, Collinsville; and senior stock division — Dean Sutton, Ferguson, Mo.

Alan Hunt, a 19-year-old guard from Chicago, has signed a basketball letter of intent to play at Southern Illinois University at Edwardsville.

At Chicago Vocational High School, he averaged 24.5 points per game as a senior. He played one season at Richard Junior College in Highland Center, Wis., averaging 18 points a game and being named to the Wisconsin junior college all-state team and the National Junior College Athletic Association's Region XIII team.

A 5-11, 155-pounder, he scored 20.5 points a game during a three-year high school career. As a prep player, he was an honorable mention all-state selection and was named to the all-Chicago, all-South City Conference and all-area teams.

Soccer clinic for those aged 6 and 7

The Tri-City YMCA soccer program will present a soccer clinic starting Thursday, May 29, for boys who are six and seven years old (born in 1968 or 1969).

Ten sessions—three a week for a period of three to four weeks—will be conducted under the supervision of Robert Mendoza, former Olympics soccer star.

In addition to direct instruction, there will be films of Pele, Brazil's world-famous soccer player.

Soccer fundamentals will be taught, and there will be scrimmage games. Fee per boy is \$5 for the clinic.

Those wishing to register are being asked to do so at the

YMCA, 20th Street and Edison Ave., or Mendoza Sporting Goods, 2740 Madison Ave.

Tennis clinic

A tennis clinic is set for 9:30 a.m. Saturday at the St. Clair Tennis Club, O'Fallon, Ill., located five miles east of the Routes 50-159 intersection on Route 50 and then a mile south along Hartman Lane.

Sponsor is the Illinois Association for Girls and Women in Sport. Individual techniques will be discussed, concluding at 1 p.m. after drills, conditioning and a review of coaching methods.

County accepts terms for \$10 million grant

Another important step
toward moving the new Four
Township Sanitary Sewer Plan
from the planning stage to the
construction stage was com-
pleted yesterday as the Madison
County Board officially ac-
cepted a grant offer of
\$10,000,000 from the Illinois
Environmental Protection
Agency.

The county, in accepting the
grant, also accepted the terms
of the grant, which includes
meeting all EPA requirements
before the money is received.
One of the requirements is
obtaining all the necessary
consentments through private
property and bidding for con-
struction and awarding con-
tracts for the work before the
end of the calendar year.

The board also unanimously
approved a program to
establish "assistant supervisors
of safety" under the control of
Madison County Sheriff John
Maers. Volunteers, who will
not be paid or reimbursed for
expenses, will be required to

complete at least 40 hours of
training before appointment.
The volunteers will replace
the former special deputies who
used to patrol in the populated
but unincorporated areas of the
county. They will be authorized
for traffic control and when
under the direct supervision of a
regular deputy they will have
much of the authority of the
regular deputies.

The former special deputy
program was abolished when its
legality was questioned. The
new proposal first was tabled by
the county board, pending a
review of the county's liability.
The proposal passed yesterday
after the county's liability in-
surance carrier assured board
members the assistant
supervisors of safety will be
covered at no additional cost to
the county.

The board heard a legal
opinion from Assistant State's
Attorney Donald Smith that a
horse show operation on Glen
Crossing Road near Route 159 is
illegal without special zoning.

About 50 nearby residents had
protested that the regular horse
shows create traffic problems
and the roads are damaged. An
estimated 1,000 horsemen from
the county, including many
from the Quad-City area, sent a
form letter to the county in
favor of continuing the horse
show operation.

Although the horse show is a
not-for-profit venture, Smith
said it does fit the term "com-
mercial" as used in the new
county zoning ordinance, and
will have to be removed under a
manufacturing classification if
it is to continue.

Members Louis Whitsell of
Namecki Township and Daniel
Partney of Granite City said
they felt the shows should be
allowed to continue.

A building permit for an
arena under construction was
ordered revoked and the
sheriff's department was or-
dered to turn riders and
spectators away from the track
June 1 when the next show was
scheduled.

Mrs. Bessie Horn, 76, dies

Mrs. Bessie I. (Clifton) Horn,
76, of 2314 Jordan Ave., became
ill at home and was taken by
ambulance to St. Elizabeth
Hospital, where she was
pronounced dead upon arrival
at 5:45 p.m., Wednesday.

She had been ill five years.
Mrs. Horn was a Quad-City
resident 35 years.

She was a member of the
First Baptist Church of Venice.
Her husband, Edwin Horn,
died in 1968.

Survivors include three sons,

Garland Horn of Granite City,
Murrell Scaggs of Lansing, Ill.,
and Delmar Scaggs of Ham-
mond, Ind.; three daughters,
Mrs. Edward (LaVonne) Gall of
Palos, Ill., Mrs. Glen (Ruth)
Hiley of Marion, Ill., and Mrs.
Irene (Myrene) Schofield of
Granite City; three brothers,
Cecil Clifton of East Chicago,
William Clifton of Edwardsville
and Otis Clifton of Indepen-
dence, Mo.; 12 grandchildren
and six great-grandchildren.
Funeral arrangements are
given in the obituary column.

Pedestrian hit by 'parked' car

Edward Winter Jr., 28,
Hillsboro, Mo., was injured
when a parked auto he was
walking near was struck by
another car and was pushed into
him.

The parked car, belonging to
Lesco Service Co., 19th and
Adams streets, and the
pedestrian were pushed about
30 feet, police said, after the
parked car was struck by the
auto of Steve Benko, 2440 Iowa St.

Winter was taken to St.
Elizabeth Hospital where he
was treated for contusions to
both knees. X-rays were taken
and he was released.

Believe thieves set house afire

Linda Myrick, 3002 Namecki
Road, returned home at 12:15
a.m. today and found her house
on fire and the front door open.
She called the fire depart-
ment and looked inside to find
all of her furniture had been
removed. Food also was taken
from a large freezer.

The fire was believed set in
several areas of the home by
two young men with long hair
who were seen at the home
twice. They were in a white van
with stripes on it, magnesium
wheels and a circular or
teardrop-shaped window on
each side near the rear.

A neighbor first saw the
youths removing items from the
home about 11 p.m. and the van
left. It returned at 12:30 a.m.
and the neighbor heard glass
breaking. The van soon sped
away and flames were noticed
in the house a short time later.
The neighbor said he did not
call police because he did not
have a telephone.

Among the items stolen were
a pool table, a china closet, a
safe and a chair, a console
sleeper, a color television, two
bedroom sets, a clothes chest
and many other items.
Granite City firemen ex-
tinguished the fire.

83 caught without '75 city stickers

Eighty-three Granite City
motorists were issued citations
yesterday for not having city
vehicle wheel stickers
displayed on their cars and
trucks.

The crackdown on motorists
without the windshield stickers
was continuing today as more
than 100 motorists were cited
before 8 a.m.

The cost of city license
stickers rose May 15 from \$3 to
\$5.50 for autos and \$2.50 more in
each of the truck classes.

TREE BLOWN DOWN in the 2500 block of State Street by Monday afternoon's storm entirely blocked the street. A half-inch of rain fell, mostly between 3:45 and 4:45, causing streets to flood. Winds caused wide

damage. This photo was taken just before a second period of heavy rain which followed the damaging winds and hail.

Potentate addresses Rotarians

Potential William R. Popkes of the 8,400-member Ainal Shrine Temple, a past governor of Rotary District 651, discussed the favorable impact of Shrines and Rotarians in their service projects at Tuesday's Granite City Rotary luncheon. He noted that the annual Shrine parade will be held here July 10, with circus performances July 16-17-18 at Tri-City Speedway.

The million Shrines contribute \$5 million annually to hospitals for crippled or burned children and the remainder of the \$34 million yearly cost is derived through such projects as the circus, Popkes related. The speaker cited longed Rotary success in ending disharmony between nations and recommended the book, "Seven Paths to Peace."

He was introduced by Donald Adams, one of the three Granite Cityans serving on the staff of officers of Ainal Temple, one of the five Illinois Shrine temples. Ainal's area has 38 Shrine clubs and 35 uniformed units, it was noted.

President Walter Milton presided and it was related that five represented Granite City at the 1975 Rotary District 646 conference at Peoria during the weekend.

The Rotary Club voted \$150 for the cancer fund and made plans for its annual installation of officers June 27.

Six new members will be inducted May 27 and the June 3 speaker will be Dr. Kamel Winter of SIUE, former Czech broadcaster, who will talk on "Free Press in the Contemporary Society."

Boy on bicycle struck by car
Michael Bridges, 11, of 2014 Edwardsville Road, Madison, was injured when he was struck by a car on the 2000 block of Skene Street in Madison.

He was a blond woman in a blue-green Ford, about a 1965 model, struck him, got out of her car and asked him if he was hurt. He said he told her he was not hurt and she drove away. Later he began to feel pain. He was taken to St. Elizabeth Hospital where he was treated for abrasions and contusions to his right thigh. X-rays were taken and he was released.

COURT CASES
Court cases totaling 5,305 were disposed of during April in the Third Circuit, the most since October 1973. New cases total 4,213 and there were 6,905 cases pending at the end of the month.

TEACHERS QUALIFY
Teachers may qualify under a new federal unemployment compensation law for jobs during the summer vacation, Illinois Unemployment Compensation Commissioner B. J. Paige said Wednesday. Remedial legislation is being proposed by Gov. John E. Blanton (R, Wheaton), who said it was not intended to pay out federal tax funds for vacations.

MOTORCYCLIST HURT

Gift to Young family

John Allen Young, 11-year-old victim of an eye disease for which there is no known cure, will be able to see Hawaii with his family next month as the result of a gift from members of the Granite City Steel Management Club.

A check for \$254 was presented to the Young family today by Frank G. Harris, president of the Management Club and a foreman in the Hot Rolled Finishing Department at Granite City Steel.

BURGLARY UNSUCCESSFUL

Nothing was believed taken during a burglary at Paul Seebold Concrete Co., 22nd Street and the railroad tracks, which was discovered Monday. The bottom of the refrigerator in the office had been removed. Seebold said he used to hide money there several years ago. The glass in the rear office door was broken to gain entry.

John is scheduled to leave for Hawaii with his parents, Mr. and Mrs. Albert Young, and younger sister, Tracy, on June 14. His parents have been taking him to see as many sights as possible before his vision deteriorates further.

The boy is a victim of retinitis pigmentosa, a disease of the retina which ultimately results in blindness. There is no treatment or cure to arrest or retard the disease.

John's father is a patrolman in the Granite City Police Department.

A collection was taken up after a story about John's falling vision appeared in the Granite City Press-Record.

GCHS commencements set

Graduation ceremonies for students of Granite City High School North will be held at 8 p.m. on Friday, June 6, in the Memorial Gymnasium on South High campus.

Rehearsal for the ceremony for both January and June graduates will be conducted at 1 p.m. on Thursday, June 5, and is mandatory to participate in the graduation exercises.

South High School students will receive their diplomas at ceremonies at 8 p.m. on Saturday, June 7, at the athletic field. In the event of rain the exercises will be held in the Memorial Gymnasium.

Rehearsal for South seniors will be at 10 a.m. on Friday, June 6, and all January and June graduates must attend. The first graduation ceremony for Quad-City students will be held at 7 p.m. this Friday at Sacred Heart Catholic Church.

Commencement exercises at other parochial schools will be as follows: St. Margaret Mary, 6 p.m. Wednesday, May 28; St.

Elizabeth School, 6 p.m. Wednesday, May 28; St. Joseph School, 8:30 a.m., Sunday, May 28; St. Mary-St. Mark Schools, 11 a.m. Sunday, June 1. Graduation at Madison Junior High School, 11 a.m. Wednesday, May 28, and High School commencement is scheduled for 7:30 p.m. Thursday, May 29.

Venice High School graduation will be, 8 p.m. Wednesday, May 28.

Completes course

Navy Lithographer Michael J. Busch, son of Mr. and Mrs. Joseph P. Busch, 25 Bermuda Lane, has completed a photograph processing course at the Army Engineer School at Fort Belvoir, Va.

He was trained in the techniques of camera operations, the use of film (filters and photo-finishing procedures as well as map and aerial photograph reading and platemaking.

Summer vacations for all pupils in the area will begin on various dates. Classes will be dismissed at Sacred Heart on Monday, May 26; St. Margaret Mary on Thursday, May 29; St. Elizabeth on Thursday, May 29; St. Joseph on Tuesday, May 27 and St. Mary St. Mark on Thursday, May 29.

FATHER OF THE YEAR Robert Flader of Virginia Beach, Va., formerly of Granite City, in a wheelchair and Mrs. Merrill Smith of Spokane, Wash., receive plaques from President Gerald Ford designating them as the Multiple Sclerosis Society's mother and father of the year. Flader is a retired Navy bandmaster.

Flader national Multiple Sclerosis father of year

Robert Flader, retired Navy musician, looks back with pleasure on his unique opportunity to visit the Oval Office of the White House. The occasion was the National Multiple Sclerosis Father of the Year presentation by President Gerald Ford this month.

Flader is a former Granite City resident in Virginia Beach, Va., with his wife, Jean, and their four children.

The President congratulated Mrs. Merrill Smith, a mother of two from Spokane, Wash., and Flader on their selection by the National MS Society as Mother and Father of the Year.

Each received a handshake and an engraved plaque from the nation's chief executive. Chief Flader, 43, is a veteran of 21 years of Naval service.

He served as a Navy trumpet

instrumentalist in Memphis, Tenn., and Newport, R.I.

Flader was the leader of the Navy unit band in Guam and spent several years as an instructor for bagpipers and as chief-master-at-arms at the School of Music in Little Creek, Va., where all Army, Navy and Marine Corps musicians are trained.

He is a past member of the Granite City High School band. Flader spent 30 minutes with the President talking about everything from the Washington football Redskins to the fact that Mrs. Ford is only the second "southpaw" (left-handed person) to occupy the White House.

He presented the President with a hand-engraved invitation to a Norfolk Ballet performance in which his daughter is performing, and in return received

autographs for each of his children.

In 1971, Chief Flader was discharged from the Navy with full disability after an already ten-year struggle with multiple sclerosis. He is a member of the Disabled American Veterans and in 1973 was chosen as the Tidewater Virginia area MS Father of the Year.

The ceremony at the White House was linked to a kickoff of the 1975 MS Hope Chest Campaign, which traditionally runs from Mother's Day until Father's Day.

Flader's parents, Robert Sr. and Corinne, are deceased.

He is the brother of Mrs. James (Yvonne) Lipchik, 3337 Village Lane, and of Mrs. Corinne Stephenson, a former Granite Cityan who resides in Omaha, Neb.

Sewer easement drive continues

Many residents of the Chouteau Township areas of Paradise Acres, the Brooks Addition, Mitchell Townships and the Evergreen Subdivision are being contacted by telephone this week and are being requested to appear at the Mitchell Public Water District office, 745 E. Chain of Rocks Road, Mitchell, to sign free easements for a new sanitary sewer to be constructed through their yards.

chairman of the Madison County Sewer Committee and supervisor of Chouteau Township, explained:

"We will notify everyone involved by telephone asking everyone to come in and sign the easement we have prepared for you. If you do not have a telephone listing, we will contact your neighbor requesting him to notify you."

"There are some areas where easements are not needed. That is why we are asking you to wait for our call, so you will not come in and find that you have made an unnecessary trip," Sparks told residents. "You will be welcome, however, to come in to discuss the plans or any other part of the project if you care to," he added.

"Do not bring money. We are not collecting the tap-on fee at this time," he emphasized.

"Sugaring the easement does not obligate you to use the sewer when it is available, however, we believe everyone should. Our septic tanks are polluting our soil, causing a very unhealthy condition for our families to live in," he stated.

Sparks reminded those involved that husbands and wives both must sign the easements if the property is in both names.

"Please come in and sign when called. We must have all easements by June 30. To keep on schedule and be assured of receiving the grant of \$10,000,000 the state has offered for our project, we need your cooperation," he said.

Those contacted may go to the water district office Tuesday, Wednesday or Thursday, May 27 to 29, between 9 a.m. to 8 p.m. each day where they may study the maps and ask questions before signing.

The idea of setting up an office for an easement drive in each area of the township first was started by Sparks with a drive May 13 and 14 at the Mitchell Presbyterian Church for residents of the Greenway Village area.

More than 98 per cent of those from which easements are needed signed the free easements during that drive. "Let's do as well on Tuesday, Wednesday and Thursday, May 27 to 29 in this part of town," Sparks urged residents.

the Granite City sewage treatment facilities.

Residents of Nameeki Township also are being notified by telephone or letter that their easement forms are ready for signing and are being requested to come to the town hall weekdays between 9 a.m. and 8 p.m. to sign. Nameeki Township residents also are being requested to wait until they are notified before attempting to sign.

Drug treatment center hearing at Belleville

The Illinois Dangers Drugs Commission is holding a public hearing today at the Ramada Inn, Belleville, concerning the proposed licensing of Drug Abuse Treatment Centers in different sections of the state.

This morning's hearing resumed at 11:30 and will continue from 1 to 3 p.m. Commission Chief Investigator Neil A. Reilly of Chicago is conducting the hearing.

Funds are available to establish the centers, a spokesman for the commission said in Springfield yesterday.

She explained the hearings are designed to acquaint the public with the objectives and need for such clinics and rules and regulations under which they will be operated.

Treatment at the centers is provided both to drug addicts and drug abusers. At the present time no center exists between Springfield and Carbondale.

Drug abusers from the Quad-Cities are required to go to the Springfield center, the commission spokesman said. She noted that many calls are received from this area requesting information about drug rehabilitation programs and treatment.

HURT ON MOTORCYCLE

Blake E. Knox, 20, of 1632 Second St., Madison, was injured when his motorcycle and the car of Jimmy Nowicki, 987 Reynolds St., Madison, were involved in an accident at 18th Street and Madison Avenue at 10:35 p.m. Monday. Knox was treated at St. Elizabeth Hospital for an injury to his right elbow and was released.

Installation of officers, plans for a banquet honoring sixth grade pupils and appointments to the Granite City Area Council of PTAs were events taking place at the May meeting of Emerson Parent-Teacher-Association at the school.

Installed for a second term of office was Mrs. Sheila MacLaughlin. Others who will lead the Emerson unit in 1975-76, are: Mrs. Pat Strauser, vice-president; Mrs. Carol Funkhouser, secretary; and Mrs. Lillie Paul, treasurer.

Mrs. Sadie Bringer of McKinley School, a past president and PTA life member, was the installing officer. Red roses were presented to the new and retiring officers.

Mrs. Carolyn Curtis, a member of the Emerson PT executive board for several years, was given a "thank you" charm in appreciation of her work with the planning group. The recipient is moving shortly to Boston, Mass.

Mrs. Pat Mitchell and Mrs. Strauser were elected Area Council representatives and Mrs. Lois Gunderson and Mrs. Paul were chosen alternate delegates. Mrs. MacLaughlin and Mrs. Funkhouser will serve as the appointed council representatives.

Plans for the annual Sixth Grade Banquet on Thursday May 29, from 6 to 8 p.m. at Emerson school were announced. Mrs. Margaret Feeney, banquet chairman reported a neighborhood music group, "Wilderness," will entertain along with talented youngsters from the sixth grade classes.

A class prophecy composed by the students will be revealed and the honorees will receive special recognition. A covered dish dinner with fried chicken provided by the PTA will be served, Mrs. Feeney said.

Mrs. MacLaughlin announced the school picnic will take place today, with a meeting of the Area Council scheduled this evening.

Madison Ladies club donates

Members of the Madison Ladies Democratic Club agree to send donations to the Madison Cancer Fund chairman, Police Chief Frank Dutko and to the Madison Khour League at a meeting held at the Sportsman's Club.

President Mary Rogenski led the group in the pledge of allegiance and Prayer was offered by Chaplain Elizabeth Wisniak.

Mrs. Rogenski appointed Mrs. Julia Goclan to serve as her co-chairman for a August fish fry and named to the ticket committee, Minnie Brown, Sue Miller, Cora Barr and Ida Dan.

Grants available to students needing financial aid to attend college were reported by Mrs. Maxine Costoff, who said interested students may contact school principals.

Mrs. Costoff also discussed the "circuit breaker" tax law noting senior citizens and those disabled should contact James Barton in Edwardsville, or their state representatives for more information.

Plans were made to attend a performance at the Mississippi River Festival and the Madison County Democrat Club luncheon, the latter to take place at 12:30 p.m. Tuesday at the Sportsman's Club.

Hostesses Mrs. Ida Dant and Mrs. Cora Barr served refreshments to those named and to Georgia Graham, Mary Knekovich, Rose Rodgers Josephine Knezevick, Vera Sikora, Lee Krpan, Blondd Dillon, Julia Goclan, Sue Miller Ann Gavilsky, Ann Bialczak Catherine Hakkarainen, Joan Wilkins, LaVerne Harris Christine Green, Minnie Brown and Winnie Savsk.

KENNETH NICOL TO GRADUATE WEDNESDAY

City sets fees for flea market dealers

A city licensing ordinance under which booth operators at a new flea market on Nameoki Road will pay license fees ranging from \$5 to \$10, depending upon the period of operation was enacted by the Granite City Council Monday night.

The action climaxed three weeks consideration of a licensing measure after Lawrence Greenberg, developer of the flea market project, asked the council in late April to provide a flat license fee that would cover the operation as a single business.

Most aldermen contended, however, that due to the variety of different businesses that would sell wares from booths rented by Greenberg, individual fees should be assessed.

The ordinance approved Monday night provides a license fee of \$5 for any person operating a booth for one day, but provides a \$10 annual license fee for anyone continuing business at the flea market on a permanent or semi-permanent basis.

Greenberg appeared before the council again Monday night and repeated his request for a single license to cover the entire business operation, noting that the flea market will have a total of 86 merchandising booths. If each of these operators obtained \$10 annual licenses, the licensing cost for one year's operation would total \$860, Greenberg noted.

He noted that large stores, including discount stores that handle varying types of merchandise, pay a city business license fee of only \$25. He said that a similar flea market operation at the Belle-Claire Exposition Center in Belleville, providing more than 300 booths, pays no license fees.

The alderman brought out, however, that the Belleville flea market is operated by the city of Belleville and that all revenue from booth rentals goes into the city treasury.

Greenberg suggested that the license fee proposed in the ordinance be reduced by half—\$2.50 for one day and \$5 per year—but added that he thought "even this would be unfair."

He noted that a recent flea market operation in Belleville attracted a crowd of 13,000 persons and said this type of an attraction would add to the business in other stores in the Nameoki area.

Aldermen supporting the licensing proposal said, however, that such an operation also would require additional police protection, traffic control work and other city services and that the city should be in a position to realize some revenue for these services.

The flea market will be located in the building formerly occupied by Biendeman's Furniture Co. at 3675 Nameoki Road.

It is scheduled to open Friday, Greenberg told the council. He said 60 of the booths had been rented as of Monday, and that 20 of these were rentals by Quad-City residents.

Persons renting the booths will sell antiques, stacaps, coats, handbags and "almost anything found for sale at garage sales and rummage sales," according to Greenberg.

Rental fees for booths, Greenberg said, will be \$6 for Friday, \$12 for Saturday and \$18 for Sunday, or \$36 for the weekend. A renter may acquire use of a booth for a month at a fee of \$150.

A motion to enact the ordinance carried 8 to 3, with Aldermen Walter Nann, Steve Basarich and Warren Decatur voting against it.

Voting in favor were Aldermen Sam Whitmer, William Saull, Everett Moler, Frank Greenwald, Clyde Boyd, Emerald Daves, Roy Pauls and Ronald Coleman. Aldermen R. E. Robertson, Earl Baker and Gerald Parmley were absent.

Economic impact bill being urged

The Illinois State Chamber of Commerce yesterday urged Illinois House members to approve a bill requiring the state to make economic impact studies of all proposed pollution control regulations and selected existing ones. The Senate, by a 40-5 vote, passed the legislation last week.

S.B. 605 would also require the Pollution Control Board to hold public hearings on the economic effects of its regulations throughout the state.

"Because of the forces of inflation and the scarcity of energy resources and raw materials, a rational process is needed to achieve a balance between everyone's desire for a healthy environment, while at the same time not damaging our state's economic health," Raymond J. Bodnar, the State Chamber's environmental affairs manager, said.

"If enacted, this pioneering legislation will make Illinois the first state in the nation requiring economic impact studies of statewide environmental laws."

Bodnar said the bill is intended to strengthen the state's environmental program "by clearly defining the PCB role in considering economic reasonableness of its regulations."

The economic impact studies, by the Institute for Environmental Quality, would analyze the cost effects of environmental control regulations in relation to the taxpayer employment, industrial expansion, goods and services, agriculture and local communities.

Bodnar stressed that the measure would not suspend existing pollution control regulations while studies are being prepared, would not require economic impact studies of frivolous regulatory proposals, and would not cause Illinois to lose federal funds for pollution control facility construction.

The proposal is a newly-revised version of a proposal approved overwhelmingly by the Illinois General Assembly last session but vetoed by the governor.

The great Illinois road fund mystery

By KEN WATSON

SPRINGFIELD — Who's on the right road? Is there or isn't there a surplus in the Illinois road fund? If there is a surplus, is Gov. Daniel Walker failing to make use of it and other already authorized bond money to build more roads and create more jobs, while at the same time asking the legislature to give him more bonding authority?

The issue has swirled into a major political controversy involving Walker, Democratic State Treasurer Alan J. Dixon, a potential primary foe for Walker next year, and Republican State Comptroller George Lindberg, who himself could be a long-shot possibility for the GOP nomination for governor in 1978.

Lindberg and Dixon in a one-two punch at the governor have declared that the above is indeed the case and that Walker is going overboard in asking for some \$4.5 billion more in new construction bond money.

Beneath the Statehouse Dome it is believed that the Lindberg-Dixon attacks have contributed further to what is generally recognized as a distinct ebbing of public support for the once popular Walker. The road fund surplus — or lack of it — is a key and sensitive issue. Highway construction and repair have traditionally been a big prop for the Illinois economy. If there is a \$100 million to \$150 million surplus in the fund then it could be utilized fairly easily into implementing road projects already planned.

Dixon's people place the road fund cash balance at \$125,867,370 on average over the past 27 months. Lindberg's people say the latest compilation on April 18 shows the balance at about \$135 million.

Walker's people don't dispute the balance figures, but

they contend that to cite them alone, gives the taxpayers a false picture of the situation. What is ignored by the Lindberg-Dixon critics, they contend, is the unliquidated obligations facing the road fund in terms of work already under contract and which must be paid for upon completion.

Weston E. Nellius, director of the office of administration in the Department of Transportation, places these obligations currently at \$472 million.

He says that if the current cash balance were to be poured immediately into additional construction "we would run into a deficit in June."

The state fiscal year ends June 30. "It's like thinking you have a surplus in your bank account," Nellius says, "until you remember you have to pay the mortgage."

Because a "cushion" is needed to assure payment of highway contracts as work is completed, Nellius says the road fund surplus should never be permitted to fall under \$100 million.

Nellius can speak with some degree of nonpartisan credentials. A state career employee, he served as assistant director of the budget under former Republican Gov. Richard B. Ogilvie.

But the Dixon-Lindberg financial advisers argue that Nellius is wrong about the road fund. They contend that during the Ogilvie administration the road fund surplus was often near zero and that there is no record that any contractor ever missed payment when his project was completed.

They say that it is only since Walker that big surpluses began to accumulate in the road fund. The implication is that Walker has failed to put the money to work as rapidly as he should.

Hearing at Collinsville on Lambert master plan

The St. Louis Airport Authority and the Missouri-St. Louis Metropolitan Airport Authority have planned four public hearings in the metropolitan area relating to the findings of the master plan for the development of Lambert-St. Louis Airport to serve as the region's primary air carrier airport through 1999.

Locations and dates of the hearings are: 7 p.m., June 2, Hospitality Inn, 1700 and Earth City Expressway, 7 p.m., June 3, Collinsville Holiday Inn, Intersection of I-55-70 and Illinois Route 157, 1:30 p.m., June 4, Roadway Inn Downtown, Jefferson and Market, St. Louis, and 7 p.m., June 5, Ramada Inn South St. Louis County, South Lindbergh at I-55.

Purpose of the hearings, according to Ron Moore, master plan project coordinator, is to "give interested persons, groups and the general public an opportunity to have their views concerning the future development of Lambert entered into the public record."

Persons attending the public hearings may present an oral or written statement and other exhibits, whether in favor of, in opposition to, or by way of proposed revision of the Master

plan findings. Although it is not mandatory, interested persons should contact Ron Moore, P. O. Box 10036 Lambert Station, St. Louis, Mo. 63148 or call 314-426-6210 before June 3 to designate at which public hearing they prefer to make their presentation.

In order to afford all persons an opportunity to be heard, each speaker should plan to limit his oral presentation to 15 minutes or less. Written statements, which will be entered into the public record, may be submitted whether or not the person participates in the oral hearing.

The master plan study, which was jointly funded by the St. Louis Airport Authority, the Missouri-St. Louis Metropolitan Airport Authority and the FAA Department of Transportation, was conducted by the Ralph M. Parsons Co., a Los Angeles consulting firm.

The hearings will allow for public consideration of the economic, social and environmental effects of the findings of the master plan and their consistency with the goals and objectives of such planning as has been carried out by the community.

Madison teachers get \$400 raise

The Madison Board of Education in a special meeting Wednesday evening ratified contracts for the 1975-76 school year with teachers, custodians, cooks, clerks and secretaries.

Teachers were granted a \$400 across-the-board increase which makes the starting salary of a new teacher now \$9,300 and the maximum at \$15,700 for a teacher with a Master's degree plus 30 hours toward a doctorate.

An incentive increase for one year of \$450 was granted teachers in the 11th step working on a master's degree and those with a Master's working toward their doctorate.

The board also agreed to pay the full \$19.20 monthly insurance premium for the individual teachers. Teachers also will be reimbursed for unused sick days at the end of the school year.

Custodians were granted a 20-cent an hour increase, bringing their hourly rate to \$4.65, in addition to paying the full cost of insurance and a bonus for unused sick days.

Clerks and secretaries were given a \$35 per month raise, incentive for unused sick days and the district also will pay the full insurance premium for the individual.

In other board action it was decided to hold the Madison High School graduation Thursday, May 29, in the gym and discussion on personnel and a student hearing were tabled. Bids on school supplies were referred to the school administrators to study and make recommendations to the board. Superintendent of Schools John Patchett reported that no official communication on specific integration procedures for the Madison schools had been received from the State Superintendent of Education.

MOTORCYCLE STOLEN

The motorcycle of Jimmy Brasfield, 1701 Third St., Madison, was stolen from the parking lot of Kozyak's Market, 2600 Nameoki Road, it was reported at 4:30 p.m. Monday. The cycle is a blue Harley-Davidson Sportster worth \$2,400.

To enforce 'bike' laws

Madison County Sheriff John Maeras announced today that his department will enforce strictly laws prohibiting the unlawful use of minibikes and unregistered motorcycles on public or private property. Maeras said anyone caught riding a motorcycle or minibike on streets without a proper license and motorcycle classification on the license will be arrested and ticketed for not having a license if the vehicle is not registered, another citation will be issued. The motorcycle or minibike will be confiscated as evidence and the owner will be required

to pay all towing and storage costs.

If the driver is a juvenile, a ticket also will be issued to his parents, charging them with allowing an unauthorized person to drive a motor vehicle, he said.

Minibike or motorcycle riders who go onto private property without the owner's permission will be subject to arrest for criminal trespass to property, he added.

"I hope all parents will cooperate by strictly controlling their children who are operating motor vehicles," Maeras said.

Richard Schultz, 51, dies

Richard L. Schultz, 51, of Rural Route Two, Granite City, an employee at Granite City Steel, died at 9:10 a.m. Wednesday at St. Elizabeth Hospital.

He was born in White City, Ill., and resided here several years.

Mr. Schultz was a member of Tri-City Park Tabernacle and also belonged to the Alton Day

Chapter. He was an Army veteran of World War II. Survivors include his wife, Mrs. Bonita Schultz; three sons, Richard William Schultz of Proburg, Ill., Terry Schultz and Floyd Smith, both of Granite City; two daughters, Jackie and Teresa Schultz, both of Granite City; and three grandchildren.

Funeral arrangements are given in the obituary column.

Memorial tribute to war dead at Venice

Venice-Madison American Legion Post 307 will hold its annual Memorial Day service at 10 a.m. Sunday on the Post Home grounds, 740 Broadway, Venice.

Principal speaker will be Gene Remmert, Illinois American Legion state program coordinator. Mayor Mike Sasek of Madison and Mayor William M. Ebersold of Venice also will address the gathering.

Participating in the traditional Memorial Day service will be representatives of Legion Auxiliary Unit 307, the Gold Star Mothers of the community, Quad-City Navy

Mothers Unit 850, the Marine Corps League, Sons of the American Legion and the Boy Scouts of America.

"We urge all area families to join with us in paying respect to those of our countrymen who gave their lives in the service of our country," Richard Pittenger, Post 307 commander, said today.

Indict two

A Madison County grand jury has indicted Kenneth D. Harris, 17, of 2224 Washington Ave., and Gerald D. Ishum, 19, of 2715 Buxton Ave., on one charge of burglary each.

The two allegedly were found by police inside the home of Charles Lipscomb Jr., 2214 Washington Ave., April 22. Ishum allegedly was arrested inside the home and Harris fled and was found hiding in a closet in his home, according to police. Each was released on a \$5,000 recognizance bond.

Gun ownership bill is defeated

The Illinois House on Monday night by a 110-43 vote killed a ban on ownership of handguns. The bill would have exempted police, security guards and military personnel but would have barred all others from owning handguns.

UTILITY POLE BREAKS. An Illinois Power Co. post located between Buildings 13 and 17 of the Garesche Homes, Madison, broke and fell over, knocking out both power and telephone lines in Monday's storm. Pictured picking up debris from a roof blown off Building 13 and James Frey, maintenance superintendent, left, and Edward Foley, bending over, director of the Madison County Housing Authority.

ROOF BLOWN OFF. Winds estimated at 60 miles per hour tore the roof off Building 13 at the Garesche Homes, Madison. No water damage was done to the six apartments housed in the building, since an old roof, underneath the new one, kept the rain out. Debris was scattered throughout the area. Several windows and storm doors in the housing project were broken, but only light inside damage was done to the apartments.

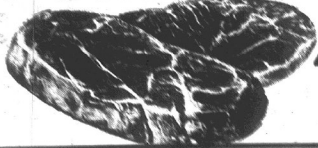

COMMON SIGHT after Monday's storm. Broken trees and limbs were plentiful throughout this area after Monday afternoon's wind, hail and rain. This picture was taken on the east edge of the Garesche Homes in Madison.

POWER QUICKLY RESTORED. Illinois Power Company crews went to work restoring power lines in the Garesche Homes area immediately after the storm Monday. Residents were without power from approximately 5 p.m. until 8:30 p.m. due to lines being damaged by wind and trees. Telephone service was restored Tuesday morning.

Postal program to raise service quality begins

The beginning of a pilot program aimed at expanding the level and quality of service for customers served by Quad-City Post Offices was announced today by the postmasters of Granite City, Venice and Madison.

The consumer service program, which began in the Quad-Cities Wednesday, is a direct outgrowth of Postmaster General Benjamin F. Bailar's determination that service to the public will be friendly, courteous and efficient, as well as speedy and reliable, the postmasters said.

"Good service is a far broader concept than just fast mail handling, as important as that is," Bailar said. "It is also built on employee courtesy, responsiveness to customer needs, the sympathy and understanding we bring to your own expectations of what good postal service is all about."

The pilot program is being conducted in Illinois, Massachusetts, Rhode Island and Arizona. It is expected to last about six weeks, and following evaluation, will be implemented nationwide.

The postmasters here urged customers to bring their inquiries and complaints to the attention of postal managers. If people feel their problems have not been properly handled, the postmasters said they will see them personally.

To make it easier for a customer to make a suggestion or complaint about postal service, a new Consumer Service Card will be available from letter carriers and at post offices.

The card is two postal cards with carbon paper between them. "One copy goes to the postmaster so work can begin on the complaint," they said. "The other goes to Postal Service Headquarters in Washington for cataloging and analysis. The cards will help management spot problem areas and trends."

The card, which takes not more than two minutes to fill out, can be used to register a complaint of any kind, or a compliment.

The postmasters and their staffs are willing to discuss any problems, including lack of courtesy, irregularities in deliveries or collections, and post office hours.

"We want you to come to us with your problems. The whole point of this service program is to bring your problems and gripes out into the open where we'll attempt to resolve them," they said.

MOTORCYCLIST INJURED

Kenneth Wyatt, 22, of 3006 Ash St., was injured when his motorcycle changed lanes to avoid an auto, went out of control and struck the median of Nameoki Road near Marley Avenue. The cycle skidded about 50 feet before stopping.

Wyatt told officers he would seek medical treatment at St. Elizabeth Hospital, but he did not appear at the hospital.

SPECIAL

Memorial Day SERVICES

With special recognition to families who have lost loved ones during time of war.

Sunday, May 25

CALVARY BAPTIST CHURCH
3000 Washington Granite City

ASSUMES FLAG DUTY: Earl Smith, Amvets Post 51 commander, left, relinquishes symbolic flag to Commander Leon Jacob of Tri-City American Legion Post 113, who will supervise placement of American flags along Madison Avenue on patriotic occasions during 1975, starting with the Memorial Day observance. Veterans of Foreign Wars Post 1300, Legion Post 113 and Amvets Post 51 handle the flag installing duty on a rotating basis.

Granite 650 honors mothers.

Granite Chapter 650, Order of Eastern Star, accorded special honors to 45 mothers at a meeting held last week at the Masonic Temple.

In recognition of the occasion all officers' stations normally held by women were filled by men.

Honored guests were Mrs. Louise Orr and Mrs. Dorthea Ebrecht, mothers of the worthy matron and worthy patron, Betty and Bob Ebrecht.

Escorted and introduced were several grand chapter committee members and four grand lecturers, including Mrs. Betty McClintock, who recently received her grand lecturer's appointment.

After the business meeting a social hour was held in the dining room and each mother

was presented a potted begonia. Table decorations were handmade crocheted baskets holding orchids and pink roses. Favores were small egg baskets filled with flowers.

The centerpieces were awarded as prizes to Clifford Hickey, John Boyer, Laurab Parcell, Maxine Compton and Rachel Larsen.

Baskets were presented to Mrs. Clara Harbig, as the oldest mother; Mrs. Donna Kagy, youngest mother; and Mrs. Dorthea Ebrecht, mother of the most children, grandchildren and great-grandchildren, totaling 28.

Refreshments were served to 65 members and guests. Initiation of new members will be held at the next meeting.

Seeks mothers of twins for club

Mrs. Richard (Alice) Milles, 4 Cambridge Court, is interested in forming a "Mothers of Twins" chapter in the Granite City area and is inviting eligible mothers to contact her at 521-5234.

Mrs. Milles is the mother of Heather and Eric, who will be 4 years old on Aug. 11.

She noted that a "Mothers of Twins" chapter, which is affiliated with a national organization, exists in St. Louis. Although none is now located in the immediate Illinois area, she said a club was established in Granite City some years ago but has since been disbanded.

Post game supper at Graceland

A potluck supper and social evening was held at Graceland General Baptist Church last week, following a softball game between Graceland and Cedar View Baptist Church.

The theme of the supper was "welcoming new members." Games were played in keeping with the theme.

Those attending were the Rev. and Mrs. Jack Smith; Mr. and Mrs. Clyde Miller and Marsha Kim; Wayne and Todd; Mr. and Mrs. James Martin and Shannon, Jeffery and Kimberly; Mr. and Mrs. Jerry Oliver and sons, Toby and Cary; Mr. and Mrs. Roger Feltmeyer and sons, Randy and Chad; Mr. and Mrs. Everett Feltmeyer; Mr. and Mrs. Mike Dillard; Mr. and Mrs. Vernon Campbell; Mr. and Mrs. Bob Lindsey and daughter, Beth; Mr. and Mrs. Carl Caldwell and Rory, Kelly and Melody; Mrs. Judy Smith and sons, James and Andy; Mr. and Mrs. Russ Edwards and Rusty, Susie, Cindy and Julie; Mrs. Thelma Dillard; David Clayton, Greg Galable, John Smith, Bryan

Waggoner and Mary Ann Tindell.

Guests were Mr. and Mrs. Paul Douglas and Mr. and Mrs. James Smith and Tim and Cindy, all of Martineville, Ill.

The next social gathering will be June 7 at Wilson Park.

THURSDAY BUNCO CLUB

ENTRANCE SEASON The Thursday Evening Bunco Club met last week with Mrs. Alice Koesterer, from Iowa St., to conclude the club year until September when Mrs. Angie Hartman, 2500 State St., will host the first fall season.

Those winning prizes were Mrs. Louise Orr, Mrs. Louella Proppes, Mrs. Myrtle Bruns and Mrs. Celeste Johnson. Others attending were Mrs. Velma Radford, Mrs. Hartman and Mrs. Lorine Menie.

As a special activity, a dinner party is scheduled Thursday at the Top of the Towers Restaurant in St. Louis County.

Prepare meats according to the quality of the cut. Low-priced cuts are less tender than the higher-priced cuts and require long, slow cooking times. Avoid waste. Meats cooked slowly at low temperatures have less waste as pan juices. Save trimmings and bones from meats to make stock for soups, gravies, casseroles.

Make use of leftovers. Store them in clear containers at the front of the refrigerator so that you remember to use them PROMPTLY.

Parade of Flags May 30

Anyone who wishes to fly a flag for a deceased serviceman in the annual Parade of Flags, sponsored by the Quad-City Chapter 53, of the Disabled American Veterans, may take the flag to the DAV Club Room, 1417 Nineteenth St., no later than Sunday, May 25, according to Lynn Milkes, chairman of the event and chapter chaplain. The parade will depart from the DAV Hall on Nineteenth street promptly at 10 a.m. Friday, May 30, and proceed down Grand Avenue to Memorial Park across from St.

Elizabeth Hospital, the chairman reported. The honor guard and drill team from Scott Air Force Base, Belleville, will lead the procession and the national anthem will be sung by Miss Jennie Powderly, a student at South High School. Included in the memorial service will be the raising of the flags, taps and a 21-gun salute. For more information relating to the services area residents may call Mrs. June Scherger at 877-4506 or the DAV Club at 876-7816.

DUV to honor war dead

The 41st public memorial services of the Granite City Daughters of Union Veterans Tent 90, to honor the war dead of all wars in which the United States has participated, will be held at 9 a.m. Friday, May 30, on the lawn of the City Hall, Niedringhaus and Edison avenues.

Alderman Emerald Dawes will be the service speaker. Mayor Paul Schuler will deliver the welcoming address and the Rev. Robert L. Kettelhut, pastor of St. Peter Evangelical United Church of Christ, will give the invocation and benediction.

St. Joseph graduation

The Rev. Henry Mack will present diplomas to eighth-grade students of St. Joseph Catholic School at graduation ceremonies during the 9:30 a.m.

mass Sunday, at the church, 201 State St. Graduates of the 1975 class are Amy Donaldson, Sherry Olson, Judith Theis, Elizabeth Unfried, Sandra Vasiloff, Sandra Weaver, Richard Buecker.

Farms may be eligible for disaster aid

Producers in Madison County are being alerted to the disaster payment provisions of 1975 feed grain and wheat programs administered by the Agricultural Stabilization and Conservation Service (ASCS). "We want to do all we can to explain how producers become eligible for prevented planting and low yield payments," Lee Rogers, local ASCS director, said.

Boy, 15, held in burglary

A 15-year-old Parktowne West Mobile Home Park boy was arrested and another youth is being sought in connection with a burglary at the home of Dale Minner, 20 Parktowne West, at 12:25 a.m. Tuesday.

Police were told two youths had been seen carrying items between mobile homes. They chased one boy and stopped him, but the other escaped. Officers said they found three guns and a tape player behind one mobile home and found a piggy bank, a clock radio, a tape player, five speakers and a combination tape player-turntable-radio behind another mobile home.

Items Minner reported missing which were not recovered included a pistol, a purse and an assortment of costume jewelry. Police said Minner's U. S. deputy game warden badge and five shotgun shells were found in the youth's pockets. Entry to the mobile home was gained by opening a small window at the rear of the unit.

BOY HIT BY CAR
Glen Freeman, 4, of East St. Louis, was admitted to St. Elizabeth Hospital Monday after being struck by a car. He suffered abrasions to both arms, the left side of his face, his lower lip, his chin and his right knee and leg.

Patriotic program at Calvary Baptist Sunday

"Back to God and Country" will be the theme Sunday at Calvary Baptist Church, 3000 Washington Ave., according to Rev. Al Slayter, pastor.

"We want to pay special tribute to those families who have given up loved ones in the defense of our country and the freedoms we enjoy," Rev. Slayter said.

Beginning at 10:45 a.m. Sunday, the service will highlight historical events that helped make the United States a proud country, the Rev. Slayter said.

Included will be remarks attributed to lieutenant Colonel

William Barrett Travis, commander of the American forces at the Alamo, and a reading of the Gettysburg Address delivered by President Abraham Lincoln on Nov. 19, 1863, at the dedication of the National Cemetery at Gettysburg.

Colonel Percy B. Hiltz Jr. of the Granite City Army Installation will lead those attending in the pledge of allegiance and a testimony will be offered by Chief Warrant Officer Donald Holloway, U. S. Army, also from the local Army base.

Patriotic music will be sung by the choir whose red, white and blue robes will accentuate the reason for the memorial observance.

The Rev. Slayter has chosen the theme "America Wake Up!" for his sermon.

"We extend a special invitation to the public to attend this service as we once again prepare to celebrate Memorial Day in our great nation," the Calvary pastor said.

TORRES IN CHICAGO
Arturo "Artie" Torres, a 13-year-old Madison boy, has been reported as now living in Chicago with a brother, according to Madison police. "Artie" was reported missing on May 3.

SHED FIRE
A fire of undetermined origin, at 4:30 p.m. Tuesday, caused \$50 damage to a shed at the home of Walter Kowalski, 2612 Cayuga St. Firemen took 20 minutes to extinguish the blaze.

Picture theme for May Day tomorrow

Girls are said to be "pretty as a picture" and there will be pretty girls in abundance in "Picture This," the 1975 May Day of South High School.

The big stage production is set for 8:15 p.m. tomorrow in the Memorial Gymnasium. Tickets will not be available at the door.

The series of performances by girls' physical education classes was organized under the direction and supervision of Mrs. Charlotte Charbonnier.

Mrs. Linda Hill, Miss Dorothy Mitchell, Miss Ruth Noth, Miss Wilma Schulz and Miss Patricia Yates.

Each scene will be based on the title of a famous painting. The order of the May Day numbers will be as follows:

"Fantasy in Blue and Green" — 1st hour class.
"Football Players of 1908" — 6th hour.
"Flery Night" — 8th hour.
"This is Our Own, Native Land" — 3rd hour.
"Children and Pet" — 7th hour.
"Stormy Landscape" — 7th hour.
"Drug Images" — 3rd hour.
"Children's Games" — 4th hour.
"Morning in New Orleans" — After School Jazz Group.
"American Gothic" — 2nd hour.
"Streets" — 3rd hour.
"Portrait in Red, Blue and Yellow" — 2nd hour.
"At the Circus" — 6th hour.
And "Spring Foliage" (May pole) — Senior Girls.

The 1975 May queen of Granite City High School South, Kathy Cross, will reign over this year's May Day program.

The new queen is the daughter of Mr. and Mrs. Charles Cross, 3240 Newell Drive.

First attendants are Kim Seybert, daughter of Mr. and Mrs. John Seybert Jr., 2421 Iowa St., and Paula Williams, daughter of Lt. Col. and Mrs. Bruce West, 1713 Garfield Ave.

Second attendants to the queen are Kathryn King, daughter of Mr. and Mrs. Charles King, 2322 Fortuna Drive, and Connie Sudholt, daughter of Mr. and Mrs. Kenneth Sudholt, 3801 Fair Oaks Drive.

The annual event honoring senior girls is sponsored by the Girls Athletic Association. Miss Cross will be crowned by the reigning Homecoming queen, Miss Terri Moran. Pages will be Leslie Houser, Kathy Hill and Colleen Kinde.

The senior girls' procession and the coronation will precede the entertainment by the girls' classes.

FRIGHTENERS BURGLARS
Lucille Smithies, 2123 Nevada St., reported she was sitting on her enclosed front porch at 9:10 a.m. Monday with no lights on when two youths approached, cut a slit in the screen door and reached through the cut. She said she rose from her chair and the youths saw her and ran.

Nameoki budget hearing Tuesday

Combined town fund, general assistance, federal revenue sharing and municipal retirement fund budgets for Nameoki Township which are \$14,554 lower than in the previous year are on display at the Nameoki Town Hall, 4250 Highway 162, and will be the topic of a public hearing at 7 p.m. Tuesday at the town hall.

The budgets include a \$20,000 reduction in revenue sharing expenditures so the budgets supported by taxes actually are \$6,346 higher than in the previous year.

The increase, plus a \$4,000 increase in the road and bridge budget which was passed March 25, means tax dollars will have to support town budgets \$10,946 higher than last year's.

The proposed 1975-76 Nameoki town fund budget of \$115,702 is down \$734 from last year's appropriation of \$116,436.

General assistance, which was \$7,100 — from \$81,900 in the 1974-75 fiscal year to \$89,000 in the tentative new budget. The winning contestant received a \$25 U. S. Savings Bond in a brief ceremony conducted Tuesday morning at her school, Mrs. Agnes Konvick, Americanism chairman for the auxiliary unit, made the presentation.

Essays were judged on literary construction, originality, imagination and neatness. All were required to be handwritten in ink, 200 to 250 words in length and based on the topic, "Where in the World But America?"

Debbie is the daughter of Mr. and Mrs. Walter Aerne, 3211 Edgewood Ave. Her essay will be entered in a state contest, with results to be announced at the Auxiliary's state convention in June.

The town fund budget calls for \$110,402 for administration, which is \$254 less than the previous year. Actually, under a new legal opinion, \$100,000 is to come from the road and bridge fund to help pay office personnel, so the appropriations for administration actually will be \$4,346 higher than last year.

The increases include raises of \$2,125 each for Supervisor Louis Whitsell and Highway Commissioner Albert Bell. Also included in the increase is the cost of promoting Mrs. Viva Elliott from part-time to full-time status due to an increased workload in the township offices, according to Whitsell.

To offset some of the increases, the provision for contingencies fund was decreased \$500.

The cost of home relief in the general assistance budget was increased \$4,350 from \$43,850 in the 1974-75 year to \$48,200 in the tentative budget.

The appropriation for institutional care was reduced from \$25,200 last year to \$15,200 this fiscal year while the fund for contingencies increased from zero to \$4,000.

Revenue sharing appropriations proposed with last year's in parentheses, are: environmental cleanup \$25,000 (\$35,100); fire plugs \$19,000 (\$20,000); township buildings \$10,000 (\$12,000); health programs \$17,000 (\$27,200); Long Lake Fire Dept. emergency truck \$7,500 (\$10,000) general aid to department.

Also State Park Fire Department aid \$2,500 (none); park fund \$10,000 (none); salaries for administration \$2,500 (none); outdoor pool (none); Manpower program \$2,000 (none).

One revenue sharing project during the 1974-75 fiscal year which was not continued was \$2,500 aid to the State Park South District.

The public hearing on the budgets is to begin at 7 p.m. Tuesday in the town hall. The tentative Town Board of Management meeting is to follow with adoption of the budgets anticipated.

Uniform stolen
A full police uniform, including handcuffs, badges, bullets and clothing as well as the foot from a burglary at the home of Maryville policeman Richard Coy of the 7th block of 29th Street was reported at 1:40 a.m. Tuesday.

Also taken were a color television, two game players and about 10 tape records.

The plan was presented and approved by the Paddlers' membership at the annual meeting during the winter

PATRIOTIC ESSAY written by Debbie Aerne, second from right, earns the St. Margaret Mary student a \$25 U.S. Savings Bond as first place winner in a contest sponsored by Amvets Auxiliary Unit 51. All Quad-City sixth grade students were eligible to enter. Debbie receives her bond Tuesday from Mrs. Agnes Konvick, Unit 51 Americanism chairman, at right. Mrs. Frances Rarick, a sixth-grade teacher at the Granite City Parochial school, and Kim Bulla, second place award winner, are shown at left.

Debbie Aerne wins essay award

Debbie Aerne, a sixth grade pupil at St. Margaret Mary Parochial School, was named the winner of an essay contest sponsored by Amvets Auxiliary Unit 51 for all Quad-City students in the sixth grade.

The winning contestant received a \$25 U. S. Savings Bond in a brief ceremony conducted Tuesday morning at her school, Mrs. Agnes Konvick, Americanism chairman for the auxiliary unit, made the presentation.

Essays were judged on literary construction, originality, imagination and neatness. All were required to be handwritten in ink, 200 to 250 words in length and based on the topic, "Where in the World But America?"

Debbie is the daughter of Mr. and Mrs. Walter Aerne, 3211 Edgewood Ave. Her essay will be entered in a state contest, with results to be announced at the Auxiliary's state convention in June.

The Illinois winner will be judged against other state finalists at the Amvets national convention in August, Mrs. Konvick said.

Runner-up in the contest was Kim Bulla, also a student at St. Margaret Mary School. She received a \$10 award.

The winning entry is written as follows:

WHERE IN THE WORLD BUT IN AMERICA?
"Yes, where in the world but in America can you find freedom of the press, freedom of speech, democracy for a government, and many other good things?"

"What I mean is, everybody has a voice in almost everything that happens. Say, for instance, if our president was doing things that nobody liked, our government could throw him out of his office."

"But look at people over in East Germany, with a dictator. He does things that the people don't like, what can they do about it? If they speak up against him, they could be punished, maybe even killed."

"I don't think people in America realize how lucky they are to be living here. We have about the best medical care possible, almost the best soil for growing crops; we are one of the most luxurious countries in the world, and another thing, we have a choice of two we want for president, and who we want for all the other government offices."

"Although most people don't realize this, America is the nation that has the most, but America is also the nation that wastes the most. I think we all should try to change that. Don't you?"

Debbie Aerne, 3211 Edgewood St. Margaret Mary School, Granite City, Illinois.

NEW ACCESS CONTROL CENTER at Paddlers Swim Club, 2121 Johnson Road, shown under construction in the background, serves as decorative and functional purpose. The control center addition is among several improvements member families will find when the 1975 swimming season opens at the private pool Saturday. Inspecting progress at the pool site, from left to right, are Jan Polach, treasurer, Harold Becherer, operational vice-president; Francis McBride, charter member; Jerry Range, improvement committee chairman; Al Barnes Jr., past president; and Al Malotki, advisory board member.

Paddlers to open Saturday, improvements at pool site

Several improvement projects at Paddlers Swim Club, 2121 Johnson Road, are being completed this week in readiness for the 1975 swimming season which starts Saturday at the twin-pool facility.

Jerry Range and Randall Sigite, general chairman of the improvement program, said the main objectives were to create the variety of recreational opportunities so that the entire family could participate, maximize the use of the site and improve the aesthetic appeal of the property.

The 400-plus member families will see several obvious and welcome additions upon arriving at the club.

An 800-square-foot game pavilion, a 1,800-square-foot concrete sundeck and a semi-enclosed access control shelter are among the most noticeable improvements.

A complete study of the facilities was made and a comprehensive plan was submitted by the firm of Harold Bartholomew and Associates as the preliminary plan.

The plan was presented and approved by the Paddlers' membership at the annual meeting during the winter

months. C. D. Peters Construction Co. was the primary contractor employed for the work.

The new game shelter area at the north end of the club grounds will afford members multiple uses, such as dances, other social gatherings, club meetings and special events, the chairman noted.

The shelter is permanently enclosed on three sides and has removable panels on the five remaining sides. It is situated on the 1,900-square-foot elevated deck and is adjacent to the picnic area, volleyball courts and horseshoe and basketball areas.

Proponents of a family-member swimming pool began recruiting area residents in the mid-1960s, purchased the tract of land on Johnson Road and initiated their first effort with the 1,900-square-foot pool, bathhouse and small concession stand in 1967.

The late Vera McBride spearheaded construction of the original pool grounds and served as the club's first president.

A major expansion was undertaken in 1966 when a second Olympic size pool was constructed, costing \$28,040. Additionally, the bathhouse facilities and concession area

were enlarged and improved. The non-profit club has more than 400 member families at the present time.

Sewer problems checked here by EPA agents

Two representatives of the Illinois Environmental Protection Agency met here Tuesday in a discussion of sanitary sewer problems in Granite City and said they will report their findings by letter.

Mayor Paul Schuler said that he and City Engineer Monroe Brewer met with John Forneris and Nick Mahlandt of the Region IV Division of Water Pollution concerning the emission of raw sewage into Nameoki drainage ditch through a pipe serving as a bypass to a broken sanitary line under the ditch.

Schuler said he and Brewer provided the two agents with information concerning the city's 43 broken sewer lines, financial problems in repairing the breaks and the need of areawide sewer replacements in the Nameoki area.

Conference, cultural center for university

The Alton area residence of Mr. and Mrs. John M. Olin has been given to Southern Illinois University at Edwardsville to be used as an off-campus conference and cultural center, SIUE President John S. Rendleman announced Tuesday.

In April, the SIUE Board of Trustees authorized the president to accept the property as soon as necessary legal instruments were completed by Olin attorneys and the university's general counsel.

President Rendleman said the home will become the John M. Olin Conference and Cultural Center of SIUE. Olin Estate will make possible a dimension of service not offered in any existing continuing education facility of the university, and it will make available cultural and educational resources which are unsurpassed in this entire area," Dr. Rendleman said.

The Olin home, built in 1928, is located on a 32-acre tract in Fairmount, Town of Godfrey, overlooking the Mississippi River at the north edge of Alton.

The residence and outlying buildings will provide SIUE with 30,000 square feet of usable space. The property, with improvements, has a current replacement cost in excess of \$2.65 million.

The property adjoins 300 acres given by the Olin family to the Illinois Department of Conservation in 1962, but in which the Olin retained the life estate.

The Olin estate has made a gift of their life estate interest in this property to the university, and the Department of Conservation has sponsored a bill in the General Assembly to convey the 300 acres to SIUE.

In a letter to the SIUE Board of Trustees, Olin has stipulated that "the gift property should be held, used and operated exclusively for charitable, cultural, scientific, literary and educational purposes."

Continuing, Olin said, "It is contemplated that the Fairmount Property, with the adjoining land, will become a center for the stimulation of scholarship, of creative thinking, and of understanding between men and women of different professions, lives and

nations about problems of major intellectual, scientific, economic and public significance."

Pres. Rendleman said the Olin Center is to be considered as an extension of the university's facilities for its highest level academic functions.

"The university is staffed with experienced educators and administrators in the continuing education field," the president noted.

"These people are interested in rendering continued and expanded service to the metropolitan area. Olin Estate will enable SIUE to respond to the increasing demands for innovative programs and services."

The Olin home is considered an outstanding example of Georgian style architecture. It is a three-story structure of Joliet limestone over thick layers of tile, tuffing and inner plaster.

The first floor of the home includes a large living room, library and sitting room, dining room, breakfast and flower room, kitchen, pantry and dressing room.

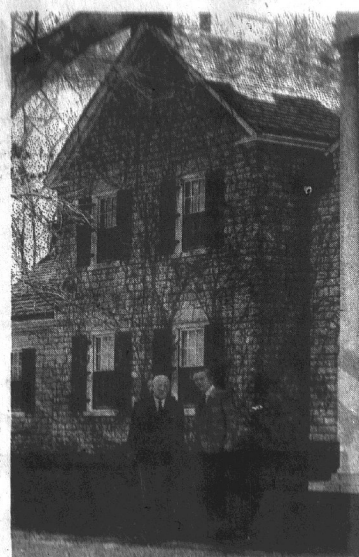

The second floor contains five bedrooms, each with an adjoining bath. The third floor contains four bedrooms and three bathrooms.

The basement area includes space for a natural gas boiler system for heating, a series of storage rooms and one clear space 30 feet long, originally designed as an indoor shooting gallery.

Outlying buildings on the estate include a carriage house with four garages, a three-bedroom living quarters for estate employees, a tool shed and a greenhouse.

"The gift will afford the university a splendid opportunity to enhance its interest development as an institution of higher learning, while at the same time further its educational and service commitment to the area it was founded to serve," Rendleman said.

"The entire university community feels a deep sense of appreciation for the confidence and understanding shown in the university by singling us out for this expression of his kindness."

Steal metal pigs valued at \$2,726

Metal pigs valued at \$2,726 were stolen from the Britt mill at N.L. Industries (National Lead), 14th Street and Cleveland Boulevard, it was reported at 1:30 p.m. Monday.

Taken were 41 pigs of metal weighing 50 pounds each. The metal was primarily tin with some antimony and copper melted in.

They believe a large company payloader was used to lift the pigs and was driven up a slag pile where the pigs were dumped into weeds.

Tire tracks from a large dual-tire truck were found in the weeds. Officials believe two or more persons were involved in the theft, which occurred between Friday and Monday.

Voegele heads college class

Mark Voegele, 3180 Aubrey Ave., has been elected by classmates to serve as sophomore class president at Aurora (Ill.) College.

Voegele will hold the responsibility through the 1978-79 school year.

A 1974 graduate of Granite City High School South, he is the son of Mr. and Mrs. Marcus R. Voegele.

Class officers' duties include preparing a class budget for submission to the student senate and conducting regular class meetings. Also, the class annually arranges an all-school party and elects officers and senate representatives for the coming year.

Aurora College is an accredited four-year senior college of liberal arts located 40 miles west of Chicago. The coeducational college, founded by the Advent Christian Church in 1883, has an innovative curriculum. Aurora students may choose from more than 40 areas of concentration.

John Harizal student member of SIU Board

John P. Harizal, Jr., 2809 Delmar Ave., has been elected by the student body at Southern Illinois University at Edwardsville to serve as the student representative to the SIU Board of Trustees.

The election was held in conjunction with the student senate election. His term in office will be for one year, beginning July 1.

Harizal, 21, is a junior at the local university, majoring in journalism. He served as editor of the student newspaper, the Alestie, during the current academic year.

As the student representative, Harizal does not have an official vote. But he is entitled to attend all sessions of the board and "can have input into the proceedings," a spokesman said.

Harizal will succeed Donald Hastings Jr., the first student representative from SIUE to serve on the SIU Board of Trustees.

Harizal is the son of Mr. and Mrs. John P. Harizal Sr., of Granite City. He graduated from Granite City High School (South) in 1971.

JOHN HARIZAL JR.

Trustees. Hastings served as the student representative for two terms.

Harizal is the son of Mr. and Mrs. John P. Harizal Sr., of Granite City. He graduated from Granite City High School (South) in 1971.

Mrs. DeRousse dies at 62

Mrs. Bernice (Lyons) DeRousse, 62, of 2423 Cleveland Blvd., was pronounced dead at home at 9:15 a.m. Tuesday by Edward Werner, Madison County deputy coroner.

She had been hospitalized several times during the past several months and was under the care of a physician.

Mrs. DeRousse was born in Carbondale, Ill., and resided in Granite City 30 years.

She was employed nine years at the Granite City Army Installation, and later worked in years for Dixie Mills Co. East St. Louis, and for the past four years was secretary at AYSO in St. Louis.

A member of Niederrhous United Methodist Church, Mrs. DeRousse also belonged to the Elks and was a past president of the Tri-Cities Chapter of the National Secretaries Association. Her husband, Charles DeRousse, died in 1964.

Survivors include two daughters, Mrs. Leonard

Wendolyn Poole of Jacksonville, Ill., and Mrs. Leonard (Rhoda) Reichen of Tulsa, Okla.; her stepmother Mrs. Frances Kuehn of Murphysboro, Ill., and six grandchildren.

Funeral arrangements are given in the obituary column.

Coolidge Band performs tonight

Miss Elsie Maylath will conduct the Coolidge Band in its annual spring concert at 8 o'clock tonight at Granite City High School auditorium.

Admission is free and the public is invited to attend. Selections will be the "March of the Blazetrees" by Jim Andy Caudill; "Concert Overture" by Robert G. Johnson; highlights from "Fiddler on the Roof" by Harnick and Bock, arranged by Warrington; "Latin Holiday" by Joseph Olivadoti.

"Seythian Overture" by Richard Walker; "Sue Espana" based on La Favorita by Ernest O. Canova; "Streets of Algiers" by John Cavacas; "All American Camps," a medley of college songs arranged by John Warrington; and "Rockhound" by Wally Johnson.

Featured in addition will be special numbers by band students who received first superior ratings in Class A competition at the 1975 state contest.

Leah Rogers will present a

piano solo "Rustles of Spring" by Christian Sletten, a brass sextet, consisting of Mike Fryntko, Jeff Vaughn, Gary Ebrecht, Keith Malench, Ed Volapaul and Bob Stephens, will play "Overture for Brass" by Fred L. Frank.

Jan Morgan will perform a flute solo "Valse Caprice" by Howe and Buchtel, accompanied at the piano by Mrs. Cathy French; and Erich Miller, Kenny Malench and Kevin Sabo, a snare drum trio, will perform "Mancoos" by Maxine Lefever.

Stuadiat recognition service

Emmanuel Baptist Church observed a Stuadiat Recognition Service during the evening worship service Sunday night.

Stuadiat is a plan of mission study and action for girls in grades seven through 11. To receive recognition as queen, a girl must complete a specified amount of work in four different levels, church officials said.

Those include mission study, mission action, mission support, and mission organization. The same requirements must be completed to be recognized as queen with scepter, but credit cannot be received for repeating the same activity twice.

The theme of the service was "Jewels of His Kingdom." A large chest was filled with jewels and held the crowns and scepters to be awarded to the girls, along with the charm bracelets they were given by the

Women's Missionary Union. Each girl told of some of the work she had done, then knelt on a white satin bench and received her award. The charge was then given to each girl by Mrs. Ruth Ann Turner, the

"All American Camps," a medley of college songs arranged by John Warrington; and "Rockhound" by Wally Johnson.

Mrs. Jean Short gave a devotional talk on jewels, their beauty, price, rarity, refinement and value, and compared a young girl's life to them. The Rev. Arthur Short, church pastor, read from Proverbs 31.

Those recognized as queens and receiving crowns were Darlene Arakaki, Cathy Howard, Debbie Hatz, and Marsha Stagner. Karen Sisk was recognized and received the scepter for completing the advanced work.

Mrs. Becky Noel, pianist, and Miss Tasha Hogan, organist, provided special music for the evening.

Gospel singing at Central Methodist

"An old-fashioned gospel sing" will begin at 7 p.m. Saturday at Central Free Methodist Church, 4150 South St., Ponton Beach.

The Gospel Echoes from Roodhouse, Ill., and the Unbroken Circle Singers from Granite City will be featured.

Members of the Unbroken Circle Singers, conducted by Norman Fenton, include his children, Mrs. Gail Niedhardt, Mrs. Tina Arico, Miss Ronda Fenton, 20, Miss Teresa Fenton, 16, Wally Fenton, 13, and Jody Fenton 12.

Also in the group is the Consonant Singers, Mrs. Darlene Lakin, and his brother, George Fenton, and George's wife, Bess.

Others are Kevin Sykes, 13, and Karen Sykes, and their mother, Mrs. Kay Sykes, accompanist for the group. Mrs. Sykes is a cousin of the Fentons.

The public is being invited to attend the evening of song and gospel music.

Quid City Navy Mothers, Chapter 850, conducted

memorial services for the late Edward Darnell and the late George Mertz, fathers of two U.S. Navy veterans, at a chapter meeting at the VFW Hall last week.

A \$200 donation was sent to the Navy Mothers' national headquarters. The amount is registered to the local chapter for use in aiding area veterans and their families.

After the meeting a social hour was enjoyed and the mystery package was won by Mrs. Norma Darnell. A special prize went to Mrs. Minze and other gifts were presented to Mrs. Peggy Jones, Mrs. Della Rabb and Mrs. Gladys Markovich.

Hostesses for the evening were Mrs. Rabb, Mrs. Mattie Hefflin and Mrs. Minze.

During the weekend Mrs. Minze, accompanied by Mrs. Jean Teller, Mrs. Mary Lee Busler, Mrs. Stella Miller and Mrs. Verna Spurrier, accepted a special award at Jefferson Barracks Veterans Hospital.

The Veterans Administration Voluntary Services presented the award to the local group in appreciation of various donations to the hospital to assist veterans with gifts and at holiday parties.

Chapter members also attended the installation of the Highland Navy Mothers on Monday evening.

Party honors Miss Carol Elmore

Miss Carol L. Elmore was complimented with a pre-wedding party last week in the fellowship hall of Grace Baptist Church.

Given by church members, the shower hostesses were Mesdames Martha Bandy, Mary Patterson, Jeanette Ballard, Marge Wuebbers, Dorothy Miller and JoAnne Patterson.

The decor theme of the bride's table was "True Love." The gift table was decorated with a bride doll centerpiece and a parasol. Pastel colored streamers and wedding bells were suspended from the ceiling.

Games were played and prizes were awarded to Marty Webb, Robin Skinner, Lana Lufcy and Mary Kay Chapline. Others attending were Carol Mabe, Leonore Welty, Ruby Williams, Frances Welty, Margaret Mayes, Lois Henke, Marcy Henke, Margie Ballard, Merle Price, Sharon Henke, JoAnn Elmore, Dorothy Pulley, Georgia LaRue, Sue Burkhardt, Elaine Atteberry, Lois Chapline, Millie Hand, Linda McIntire and Maxine McGuire.

The guest of honor will become the bride of Thomas P. Gilmore at Grace Baptist Church on June 20.

MR. AND MRS. EDDIE TURNER. They were married at the Baptist Church in Leadwood, Mo. The bride is the former Miss Joyce M. Abbott, a daughter of Mr. and Mrs. Fay Abbott, 3221 Rodger Ave.

Turner-Abbott nuptials

Miss Joyce M. Abbott, a daughter of Mr. and Mrs. Fay Abbott, 3221 Rodger Ave., and Eddie Turner, son of Mr. and Mrs. Paul Turner of Leadwood, Mo., were united in marriage on May 10 at the Leadwood Baptist Church.

For her wedding, the bride chose a long white gown designed with a square neckline and short flared sleeves.

She carried a cascade of blue and white carnations and wore a white brimmed picture hat.

Miss Nelsa Abbott, a sister of the bride, was maid of honor. She selected a long gown of blue and white floral voile and held a bouquet of blue and white carnations.

Mrs. Maxine Lasley, the groom's sister, served as bridesmaid. She was attired in a floor length yellow dress and her bouquet was an arrangement of yellow roses.

The groom was attended by Sonny Lasley, his brother-in-law, as best man.

A reception was held in the Lasley home following the ceremony.

The newlyweds are now residing in Flat River, Mo.

1st United Pentecostal marks 59th anniversary

The First United Pentecostal Church, now located at 2450 Pontoon Road, will observe the 59th anniversary of its founding at services at 7 p.m. Sunday. The Rev. Tom Marshall will be guest speaker.

The Rev. Kenneth V. Reeves, who has served as pastor for 19 years, said worship services are planned at 7:30 p.m. Tuesday, Wednesday, Thursday and Saturday, May 27 through May 31, and at 7 p.m. on Sunday, June 1.

An open air revival in 1916, conducted by the Rev. A. N. Graves of Tennessee, was the first gathering of the congregation, which later worshipped in various rented buildings until 1928 when a church was erected on the corner of Bryan Avenue and 22nd Street.

A new church was con-

structed in 1965 at its present site on Pontoon Road.

Ministers who have led the First United Pentecostal Church congregation since 1928 include J. C. Bricey, Odell Cagle, Ross Smith, Leo Dunning, Paul Box, James Gardner and the Rev. Reeves.

Public to attend the services to celebrate the 59th anniversary. Taking part in the week-long program will be the Rev. Bobbey Wendell, the Gateway College of Evangelism Choir on Wednesday; the Rev. and Mrs. George White on Thursday; "a time of singing" will be conducted on Saturday and the Rev. Paul Box will address church members and guests at the concluding service on Sunday, June 1.

Attorney addresses Newcomers

Granite City Attorney Irvin C. State Jr., discussed wills and estates, explaining provisions under Illinois statutes, at a meeting of the Newcomers Club held Monday evening at Hope Lutheran Church.

The guest speaker was introduced by Mrs. Dody Stevens, president. Plans were made for a picnic in June to entertain the children of members, and a progressive dinner party in September to which husbands will be the invited guests.

A couples' evening on the SS Admiral was announced as a special activity in July. General

meetings of the club will take place at Wilson Park in July and August, Mrs. Stevens said.

Mrs. Arla Ault was asked to arrange a June 24 program, dealing with the history of swimming.

Refreshments followed the meeting, served by Mrs. Sylvia Massman and Mrs. Dody Stevens.

Special guests welcomed were Mrs. Joyce Javaux and Mrs. Mary Booth.

Mrs. Stevens said new residents in the community are invited to join in the club's program, which includes both social and educational activities. Interested persons may call 877-1188, or 931-4065 for further information.

CYCLIST HURT

William Hammett, 28, of 412 Madison Ave., Madison, was admitted to St. Elizabeth Hospital after his motorcycle went out of control trying to avoid hitting a car at Nameoki and Pontoon Roads this week, throwing him to the pavement. He suffered multiple abrasions to his chest and arms.

BETROTHED. Miss Debra Bird, whose engagement to Lance Hamilton is being announced by her parents, Mr. and Mrs. Ronald Eaton Sr., 2408 E. 25th St. Wedding plans are incomplete at the present time.

Debra Bird is bride-elect

The engagement of Miss Debra Bird and Lance Hamilton, a son of Mr. and Mrs. William Hamilton, 2651 Lincoln Ave., is being announced by the bride-to-be's parents, Mr. and Mrs.

Ronald Eaton Sr., 2408 E. 25th St.

Wedding plans are incomplete at the present time. A 1974 graduate of Granite City High School and the Granite City Beauty Culture School, Miss Bird is a licensed beautician.

The bride-elect also is a graduate of Belleville Area College, where she completed training as a nurse's assistant. She is now employed at Colonial Haven Nursing Home.

The prospective groom is employed by the Granite City Board of Education and currently is attending Southern Illinois University at Edwardsville, majoring in speech pathology.

Nu Zeta installs, fetes mothers

Nu Zeta Chapter of Beta Sigma Phi held its Mother's Day program this week at the Round Table Restaurant, Collinsville.

The event began with a brunch and was followed by the installation of officers and games.

Those installed were: Mrs. Linda McKeehan, president; Mrs. Carla Ashmore, vice-president; and Mrs. Carolyn Lee, treasurer.

Each mother was presented with a mushroom candle and a yellow rose in a bud vase.

Mrs. Bobbie Lewis, the retiring president, received a gavel guard from the members. Others attending the brunch were Mrs. Helen McKeehan, Mrs. Donna McIlroy, Mrs. Ruby Voss, Mrs. Jane Lewis, Mrs. Martha Delevski, Mrs. Marie Coffey, Mrs. Judy Haven and Mrs. Lucille Lips.

Out-of-town guests included Mrs. Vira Lee, Mrs. Effie Young and Mrs. Virginia Johnson.

Miss Veloff heads University Women

Officers of the local chapter of American Association of University Women were installed in the Mississippi Room at Southern Illinois University at Edwardsville, with Mrs. Ruby Foster serving as the installing officer.

The 1975-76 corps of officers,

includes: Miss Mary Veloff, president; Mrs. Phyllis Nation, first vice-president; Mrs. Lillian Firmer, second vice-president; Miss Sara Merkelbach, recording secretary and Mrs. Donna Lobdell, corresponding secretary.

Mrs. Della Alabaugh showed pictures of her travels to Japan, Thailand and Bali during the program.

SAYS NOT INVOLVED
Clayton Jenkins, proprietor of Abe's Tavern on Hildebrand Avenue in the Cloverleaf Subdivision, said his tavern was not involved in any way with four men meeting prior to a robbery occurring last week. Two men alleged they met two other men in a tavern and the four later left. One pair allegedly robbed the other pair later.

MOTHERS, DAUGHTERS HONORED AT BANQUET
The Mitchell Presbyterian Church was the scene of a mother-and-daughter banquet. The invocation was given by Mrs. Pearl Reipschlag, and Mrs. Avalon Young gave the welcome address.

The "daughter response" was given by Karen Norris. Mrs. Sue Reinhardt gave the "mother response."

Special music was provided by Lori Oliver, who played the guitar and sang. Sonnet Weeks and Sharon DePew sang, accompanied by Mrs. Charlotte Starr at the piano.

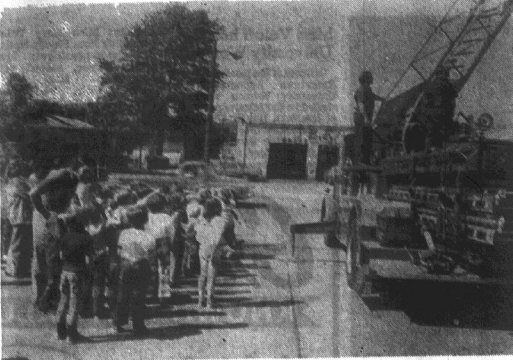

Awards were presented to the oldest mother, Mrs. Iona Uhlman, the youngest mother, Mrs. William Wittkamp Jr., and the mother with the most children, Mrs. Wendell Corey. A fashion show, "An Array of Fashion Wisdom," concluded the program.

CAR DAMAGED BY FIRE
The loss was estimated at \$250 from a fire which damaged the auto of Elvin Goodman, 1257a Niedringhaus Ave., at 18th and State streets, early this week. Granite City firemen extinguished the fire.

Assistants group to meet tonight

The St. Clair Chapter of the American Association of Medical Assistants will meet at 6:30 tonight at Fischer's Restaurant, Belleville, according to Leona L. Sutek, publicity chairman for the group.

Guest speaker George Rose, director of development for Belleville Memorial Hospital, will present a slide program, "Constant Concern For a Healthy Community" will be the theme.

Information regarding the meeting and organization is available by calling the president, Malinda Grimming, at 1-398-1170.

Good News Class hears Mrs. Harlow

"When 2 Make a Choice, How Can I be Sure?" was the devotional topic given by Mrs. Georgia Harlow at a meeting of the Good News Sunday School Class of Suburban Baptist Church.

Mrs. Mary Lou Summers opened the meeting with prayer and Mrs. Harlow, class president, presided. The group discussed many projects and agreed to donate money to Mrs. Wanda Loyola to be used for floral arrangements at the church.

Cards for all members were signed and mailed. Mrs. Lucille Veach gave the closing meditations.

The hostess, Mrs. Lyleria, 1718 Moro Ave., served refreshments to those named and to Mesdames Hildred Lewis, Edna Jackson, Evelyn Mohr, Pauline Dalhaus, Wanda Bradford, Alta Mae Cockrell and Lucille Veach.

Girl Scouts view court proceedings

Junior Girl Scout Troop 218 from Prohardt School visited the federal court building in St. Louis to witness naturalization proceedings for candidates for citizenship in the country, representing 40 counties.

After the ceremony American flags, donated by the sponsoring groups and American Legion Posts 385 and 35 of St. Louis, were presented to the new citizens.

Those attending were Rebecca Barnes, Jill Donley, Lori Forest, Nancy Griffith, Rayette Herrin, Gita Graham, Nancy Jones, Sherrie Jones, Theresa Gwasdad, Dawn Lundberg.

Mary Lou Metcalf, Chris Moser, Lynda Lane, Susan Scatlott, Kathy Touissant, Cara Walton, Lanes Winters, Laura Shanks and leader Mrs. Jerry Donley. Accompanying the group were Mrs. Joyce Touissant and Mrs. Barbara Shanks.

DAV Auxiliary to aid May 30 parade

The annual Parade of Flags was discussed by the Disabled American Veterans' Auxiliary at a meeting conducted by Commander Mrs. Harriet Jones.

Plans were made to assist the DAV men's group at the memorial service, planned for May 30 at Memorial Park. Mrs. Louise Schliff was named to place a wreath at the City Hall memorial in Granite City in honor of all veterans.

Members also planned a birthday party for the next social gathering. At last week's session were Lena Kalpe, Mary Lee Busler, Louise Schliff, Bert Kitchler, Pat Macke and a new member, Sue Holt.

'Casino Night' sparks GCS Women's banquet

The annual spring banquet and "Casino Night" of the Granite City Steel Women's Association were combined into a gala evening last week at the Sunset Hills Country Club. From a membership of 135 women, a total of 110 attended the event.

Enhancing the atmosphere for the Las Vegas-style party were the gaming tables, set up for roulette, blackjack, chuck-a-luck and similar entertaining diversions.

"Play was heightened by the realistic 'dealers,' represented by Granite City Steel management personnel. To take part in the games of skill, each club member was given the sum of '\$5,000' to spend. A special prize was awarded to Mrs. Donna Sprankle, the evening's most successful player."

The casino dealers were W. R. Bothe, Ron H. Doerr, James Elenbeis, Stephen Fitzgerald, Watts Humphrey, J. A. McCreary, J. R. Parmley and John G. Quade. A smorgasbord dinner was

served at tables appointed with bouquets of fresh garden flowers. Wall hangings reflected the "Casino Night" theme, and favors at each place setting were small arrangements of dried flowers, handmade by program committee members.

Mrs. Bethel Davis offered the invocation, and a prize was won by Mrs. Olga McMurray.

Jerry Dublar served as program chairman, assisted by Peggy Solberger, Frieda Riecken, Joyce Hayes and Nancy Cook. At the June meeting, new association officers will be installed, it was announced.

LOOT VENDING MACHINE

An undetermined amount of cash and bottles of soft drinks were stolen from a vending machine at the Maytag-Highlander coin laundry, West Pontoon Road and Briarcliff Drive, it was reported during the weekend. The machine apparently had been kicked open.

FUN-LOVING VISITOR at the St. Elizabeth Hospital open house Friday afternoon was Winnie the Pooh. Among the many who stopped to peek Pooh's nose and watch him dance were, from left, Rocky Bradley and Edwin Bollinger, both of Brooklyn, and Patty Meszaros, nurse's aide, and Debby Wallace, a unit clerk, at the hospital. Winnie the Pooh danced for children in the pediatrics ward as well as for patients in many hospital rooms.

Fourth of 2-year-olds unprotected from polio

Even with the widespread availability of polio vaccine, one out of four Illinois two-year-olds remain unprotected against the disease, according to a polio survey conducted by the Illinois Department of Public Health.

State health authorities say that, if intensive efforts are not made to improve the polio immunization level in Illinois, there is a possibility of new cases of paralytic polio in the state.

Dr. Joyce Lashof, director of the state health department, reports, "Although Illinois' polio immunization level is higher than the national average of 60 per cent, there are still far too many children who have not received complete polio immunization."

She explained that, during the first five years of life, children

are more susceptible to polio than at any other age.

"By the time a child reaches the age of two," she said, "he should have received the basic series of polio immunizations, plus one booster dose. A child who has received any less than that is susceptible to the disease."

Dr. Lashof advised all parents to check their children's immunization records to determine whether they have received the full series of polio immunizations. She strongly urged those whose children have not received any or all doses of polio vaccine to contact their physicians immediately.

"Polio is a tragic disease," Dr. Lashof said, "for the victim and for his family. With just a small effort on the part of parents, the disease can be prevented."

Scholarship to Ahlers

A Granite City high school student has been awarded an Emerson Electric Co. national scholarship grant, L. L. Browning, executive vice president and corporate administrative officer, announced this week.

He is Gregor Ahlers, 2001 E. 20th St., son of Bernard Ahlers, maintenance man at White-Rodgers in Alton, Mo.

Gregor Ahlers plans to attend Illinois State University, Bloomington-Normal, and will study chemical engineering.

He is one of six award winners selected from 79 finalists. The scholarship grant, open to college-bound children of Emerson employees, covers four years of study, contingent on the academic performance of the recipient.

Grade point average, class rank, national test scores, and the recommendation and comments of school administrators are considerations in the selection.

Energy topic of Kiwanis

A guest speaker, Mrs. Jo Meyer of the Illinois Power Co., spoke on the subject, "The Energy Situation," at a 22nd May meeting of the Breakfast Kiwanis Club at Charlie's Restaurant.

In her presentation, Mrs. Meyer talked about four basic fuels—coal, uranium, natural gas and oil—that the power company deals with in its power generation programs.

Norman Hall was program chairman for the meeting and Herb Camren, first vice-president, was in charge of the business session.

Camren announced that the

club will sponsor a hole-in-one golf tournament again this year on July 10-20 at the Arlington Golf Club.

Architects project fees for new Madison school

New steps in development of plans for construction of a new junior high school in Madison were reported to the Madison School Board at its regular May meeting.

A report by M. W. Inc., Architects and Engineers, St. Louis, which has been retained by the Madison School district as school architects, informed the board that preliminary planning work will cost an estimated \$31,000.

The architects said in a letter to the Illinois Capital Development Board that the estimated cost of site planning will be about \$3,000, the cost of educational planning will amount to approximately \$4,000 and cost of preliminary design planning will approximate \$14,000.

Superintendent of Schools John Patchett reported to the board that a visitation team from the Capital Development Board has inspected the schools in Madison to determine extent of need for additional school facilities, but that no report of the board has yet been received.

In other action, the board approved a bid by the Granite

City Trust and Savings Bank for handling Madison School District fund deposits.

The bank offered the highest interest rate on deposits of this school funds. Other bidders were the First Granite City National Bank and the First National Bank in Madison.

The board approved requests for visits by Blair School pupils for four visits. Kindergarten students will visit the zoo on May 23 and first grade pupils will visit the zoo on May 23.

A letter of resignation by Lola Smith, clerical aide at Blair School, was accepted and a request for transfer by Don Reeves, a custodian at the Junior High School, was approved. Reeves will be reassigned to Harris School.

Also accepted was a letter of resignation by Ed Walker, 4th grade teacher at Dunbar School.

The board also approved a motion to advertise for bids to furnish canned goods for the school lunch program at the request of Evelyn Holl, cafeteria director.

Coral Atkinson accorded honors

Miss Coral Atkinson, who will reign as queen of the annual Spring Carousal of North High School at 8 p.m. May 29, has been accorded honors at two other events during this month, climaxing her senior year and active high school years.

She will be crowned by the Fall Festival Queen Debbie Windfield Thursday, attended by Karen Martin, Kim and Nina Pailon, first attendants, and Sandy Smith and Judy Parrish, second attendants.

A daughter of Mr. and Mrs. Keith Atkinson, 204 Tennessee Ave., Coral attended Mitchell grade school and was guest of honor at its May general meeting.

The Parent and Teacher

Association presented a \$25 cash gift to the former student, who accumulated the highest grade point average at a graduating senior than any previous Mitchell pupil.

Earlier this month the Alpha Kappa Chapter, Beta Kappa Gamma Society, organization of women educators, awarded Miss Atkinson a recruitment grant at a luncheon held at the Pere Marquette State Park lodge, Grafton.

Miss Atkinson, who ranks in the top three per cent of her class, plans to attend Southern Illinois University at Edwardsville, to major in physical education.

Advance golf tourney plans

The Granite City Optimist Club met at the YMCA last week to discuss plans for the club's golf tournament and picnic in June. Frank Rea was named chairman of the event with Allen Walker, Jim Giese, and Ted Elberman as committee members.

President Frank McGinnis presided at the business session. He announced the organization will give a full scholarship and the recipient will be named at the Scholarship Foundations presentation at the high schools on Tuesday. A slate of officers presented for election included Dave Brooks, president; Dr. Scott

Hendrickson and Jim Giese vice-presidents; Mike Tharp, sergeant-at-arms; Jerry McDonald, secretary-treasurer, and board members Larry Gipe and C. J. Lathers.

Mrs. Norma Smith of Granite City spoke during the meeting on organizing a group of interested citizens to study problems of students in the Granite City Schools and to seek solutions for specific areas.

Paul Rutledge will provide the program at today's meeting and Ray Henley will present Walt Lyman of Illinois Bell as the featured speaker on May 29.

WOMAN IS INJURED
The autos of Peter Plantz III, 2806 Grand Ave., and Eugene Short, Kane, Ill., collided in the 1200 block of Madison Avenue, Madison, this week. Mrs. Geraldine Short, 54, also of Kane, a passenger, was taken by ambulance to St. Elizabeth Hospital where she was admitted with a head injury and pain to her neck.

GC town budget down

A new 1975-76 Granite City Township budget of \$907,353 — including \$500,000 for construction of a proposed new township office building and recreation center for senior citizens — has been posted for public inspection at the office of City Clerk Robert Stevens, who also serves as town clerk.

The proposed new budget is \$33,670 less than the 1974-75 budget adopted a year ago. The decrease results primarily from elimination of a \$40,000 item included in last year's budget.

Senior recital
Mary Ann Sporic, 1512 Jay Ave., Granite City, and Debra Walden, Fairview Heights, will be presented in a senior recital Thursday, May 28, at 5 p.m. in the Lovejoy Library auditorium at Southern Illinois University at Edwardsville.

Miss Sporic and Miss Walden, both flutists, will be assisted in the presentation by Andrew Connor at the piano and harpsichord and Sarah Wiseman on the cello.

The recital will include Bach's Sonata No. 2 in E-flat, Blavet's Sonata No. 2, "La Vierge," Debussy's "Syrinx," flute solo, Poulenc's Sonata for flute and piano, and Gounes's Sonata in its-moll for two flutes.

for acquisition of land for the proposed township building construction. The township since has acquired the site of the old Central School building and has demolished the school structure in preparation for the building work.

The new township budget, in which a public hearing will be held June 16 at 7 p.m. in the City Council chambers, sets up \$153,852 expenditures in the town fund, up from \$144,767 last year, and \$221,000 for general assistance purposes, up from \$207,550 last year.

A total of \$508,000 for the new building is appropriated in the federal revenue sharing fund, plus \$8,000 for social services for the aged and indigent. The measure appropriates \$26,000.

John Katzman dies at 85

A lifelong resident of the Quad-Cities, John G. Katzman Sr., 85, of 2618 Madison Ave., died at 4:20 a.m., Tuesday at St. Elizabeth Hospital.

He had been ill for one year and hospitalized for eight days. Born on Chouteau Island, Mr. Katzman was a member of St. John United Church of Christ. He also belonged to the Eagles Aerie.

Mr. Katzman worked at Wagner Distributors, Granite

City Steel, General Steel Industries and was retired at Laclede Steel Co.

Survivors include his wife, Mrs. Kate Katzman; two sons, John G. Katzman Jr. and Russell; Katzman one daughter, Mrs. Kathleen Wachter; six grandchildren and eight great-grandchildren, all of Granite City.

Funeral services were held today. Details are given in the obituary column.

Hospital notes
Patients admitted to St. Elizabeth Hospital Saturday:

John Foster, 5516 Iowa; Cora Louisa Schreff, 2130 Ohio; Gloria Fields, Glen Carbon; Stanley McElroy, 2241 Iowa; Kirk Watson, 12 of E. St. Louis; Ruth Johnston, 2235 Edwards; Danny Hutchins, 2700 Myrtle; Kristine Rex, 8 of St. Victor; Mary Mathes, 2726 Marshall; Harvel McElroy, 2611 Circle.

Rambl Bethel, 12, of Collinsville; Harry Adams, Collinsville; Victoria Townsend, 2216 Grand; Annabelle Boyce, 2020 Park; Joseph Hartline, 2814 Lake; Charles Armstrong, 2115 Delmar, one month old; Mary Lee, Colonial Haven Nursing Home.

Robert Waters, 8, of 2901 Kirkpatrick; Leo Holbrook, 305 Kaseberg; Cathy Solph, 305 Sunny Shores; Emanuel Newberry, 3, of Brooklyn; George Gower, Collinsville; Mark Harris, Glen Carbon; Catherine Measki, 2042 Thirteenth; Regina Evans, 1008 Logan, Venice; William Whitehead, 2129 Ohio; Thelma Dillman, Desoto, Mo.; Michelle Outland, 3, of E. St. Louis; Paula Gross, Collinsville.

expected to result in year-end balances of \$13,775 in the town fund, \$12,121 in the general assistance fund and \$825 in the retirement fund, if all expenditures are made as budgeted.

The town budget sets up expenditures of \$28,700 for compensation of town officers, including \$200 for the town assessor, \$15,000 for the town auditor and \$2,200 for the township supervisor.

The town fund also projects expenditures of \$101,745 in expenses for the assessor's office, of which \$75,000 is for salaries for deputy assessors and clerical workers. Expenses for town officers are budgeted at \$1,500 and for the town collector at \$8,167.

The general assistance fund budget includes \$122,000 for food, \$8,500 for rent payments, \$750 for fuel and \$11,000 for power. The sum of \$28,000 is provided for medical care and \$18,000 is provided for hospitalization.

A total of \$41,350 is budgeted for administration costs, with \$33,400 of this going for salaries.

Later deadline on Democratic nominations

John P. Touhy, chairman of the Democratic State Central Committee of Illinois, announced this week the extension of a deadline for filing nominating papers to fill six vacancies on the Democratic National Committee.

Any Illinois Democrat interested in becoming a member of the Democratic National Committee may write a letter, stating the person's name and address and affirming that the person is a Democrat, a resident of Illinois, a registered voter, and a candidate to fill a vacancy on the national committee.

The nominating letter must be postmarked by May 23, delivered to the Democratic State Central Committee by May 24.

The nominating letter must be sent to: John P. Touhy, Chairman, Democratic State Central Committee, 334 S. 2nd St., Springfield, Ill. 62761.

The vacancies will be filled by the Democratic State Central Committee at its meeting June 4 at 2 p.m. in Parlor A, 4th Floor, Lincoln Tower, 320 S. 2nd St., Springfield.

Touhy also announced the appointment of a 30-member Alternative Action Council.

The council, chaired by Marilyn Weisbaum of Springfield and Raymond F. Simon of Chicago, has the duty of encouraging participation by all individuals in the party, with special concern for selection of delegates to the 1976 Democratic National Convention.

WALLET IS STOLEN
A wallet containing less than \$25 cash, several credit cards and personal papers stolen from the home of Maggie Joyce, 2625 W. 22nd St., it was reported last week. Entry was gained through a rear door which had been left unlocked. Two boys, about 14 years-of-age had earlier been told by a neighbor to get away from the house.

Awareness day for missing Americans
A special day of awareness to call attention to the 1,363 Americans still missing in Southeast Asia is scheduled June 21.

The Scott Memorial Chapter of the Air Force Association is sponsoring the event with the Prisoners of War — Missing in Action, Committee of Illinois.

The all-day program will be held at Doback's Restaurant dining room and adjoining facilities of the new Ramada Inn at the junction of U. S. Route 50 and State Route 158, Fairview Heights.

Robby D. Frank, chairman of the POW-MIA Committee, and Hugh L. Engart, president of the AFA group, said the program will begin at 9 a.m. Activities are scheduled throughout the day and there will be an evening dinner.

The program will include a presentation by Frank on the POW-MIA issue, a panel discussion and several information booths. Guests will include returned POWs, families of servicemen still missing in Southeast Asia, and local government leaders.

The committee is among a number of organizations nationally which seeks to determine the fate of these still missing in Southeast Asia.

The AFA has a continuing national policy resolution calling upon the President to take whatever steps may be necessary to force the North Vietnamese government to account as fully as possible for all Americans identified as missing in action or prisoners of war.

On Jan. 27, 1973, the United States was signatory to the Paris Peace Agreement which

Poppy sales Friday, Saturday

Mayor Paul Schuler has proclaimed Friday and Saturday as American Legion Poppy Days in Granite City. Schuler said that, "The American Legion and the American Legion Auxiliary programs of rehabilitation, service work and child welfare assistance, which are made possible by the annual sale of poppies, are deserving of the full and generous support of every citizen of Granite City."

Mrs. Bonnie Jacob, Poppy chairman for the Tri-City American Legion Post 113 Auxiliary unit, presented the mayor with the first poppy and thanked him for his

proclamation and statement on behalf of the Legion and auxiliary.

Mrs. Jacob said that Geraldine M. Riden, president of the Illinois American Legion Auxiliary, has said that the poppy distribution during this year's 52nd annual American Legion Poppy Days is expected to be the largest on record.

Hospitalized Veterans have assembled over 1,335,000 poppies for this year's distribution.

Mrs. Jacob said that volunteer workers will be stationed on street corners throughout the business district of the city. She urged each person to be as generous as possible towards this Veteran Program designed specifically to care for the needy Disabled Veteran and his forgotten dependents.

Take car from man's driveway

The auto of Sandra Clark, 1349 Edwardsville Road, was stolen this week, it was reported. Troy Howell, 2512 Jerden Ave., who was driving the car, said he parked it in the driveway of his home and went inside for a few minutes. When he returned outside, he saw the car being driven south on Kate Street.

The auto is a 1973 Chevrolet Monte Carlo with white vinyl over red. It is a two-door hard-top.

Believe three trucks stolen for short tirp

It would have been a lot easier to hitchhike for a thief who was attempting to steal a pickup truck for a ride from South Roxana to Mitchell last week as the short journey required stealing three trucks, officials believe.

South Roxana police and Madison County sheriff's deputies studied the stolen truck reports and said they believe the three were taken by the same unlikely thief in an attempt to get to Mitchell.

They believe a truck belonging to Mrs. Betty Cason, 210 Pennsylvania, South Roxana, was stolen from the home of Dale Stearns, 300 Pennsylvania, who was in the process of purchasing the vehicle. The thief drove it south of Route 111 but it stalled just outside South Roxana and was abandoned, they theorize.

The thief then is thought to have walked to the nearby L&L Trucking Co., 215 Velma, South Roxana, and stole the truck of Carl Baker, O'Fallon, Mo. That truck ran out of gasoline in the 800 block of Southard Street in South Roxana and was abandoned.

In the next block of Southard Street, the truck of Gerald Dilbeck, 705 Southard St., was stolen and was locked and abandoned in the intersection of Barkley Street and Tennessee Avenue in Mitchell where it was found by the Illinois State Police.

EDWARD HAG-NAUER JR., 2438 Center St., who joined the Granite City Fire Department as a probationary fireman Friday, Hagnauer, 22, formerly was employed as a maintenance worker by the Madison County Highway Department.

Attend services for Mrs. Grigsby

Miss Mary Frances Lynch, Mrs. Russell Johnson, Mrs. Lawrence McCauley, Mr. and Mrs. M. A. Witternagel, all of Granite City, and Miss Mary Luther of St. Louis, have returned home after attending funeral services for Mrs. Martha Grigsby in Huntsville, Mo., last week.

Plans have been made by friends in Huntsville to start a memorial fund in Mrs. Grigsby's name to aid the Huntsville high school library, according to the local residents who attended the services.

They said anyone who wishes to contribute to the fund may send contributions to the Farmers and Merchants Bank in Huntsville, Mo.

Mrs. Grigsby's husband, Paul, was a member of the Granite City school system from 1931 until 1958 when they moved to Missouri. At that time he was principal of the South High School.

CHURCH BURGLARY
An inventory was to be conducted this week to determine what was stolen during a burglary at Bethel Chapel Protestant Church, 25th and Ohio streets. Granite City police on routine patrol noticed a south side window had been broken. They searched the building but found no one inside. Some musical instruments were among the items taken.

Australia job offer

Representatives from New South Wales, Australia, will be interviewing job applicants on the campus at Southern Illinois University at Edwardsville June 9. They will be seeking elementary school teachers and special education elementary majors only.

David Van Horn, director of the University Placement Service, said there will be group interviews held in the Peck Classroom Building, Room 004, from 8:30 until 9:30 a.m., and individual interviews in the placement office beginning shortly thereafter.

Job applicants must sign up in the placement office for the orientation and personal interview.

All applicants must present their professional papers and copies of all transcripts, including work in progress, at the

time of the interview. Salaries for beginning teachers start at \$8,057 a year, an amount equivalent to \$16,494 in U.S. currency, Van Horn said. Persons signing a contract for two years or more will have their round-trip expenses paid by the Commonwealth of Australia.

The beginning of the Australian school year is February and the year is divided into three terms, plus a summer vacation of two months.

The cost of living in Australia is as high as it is in the U.S., Van Horn said. Food and housing are somewhat less.

Teachers are paid from the date of their arrival in Australia, but individuals who are hired will be urged to take along at least \$500 to cover initial settling-in expenses.

FILM COVERAGE of the Venice High School victory in the Illinois High School Association State Basketball Tournament is presented to VHS Principal Lewis E. Sabin, center, by Robert Brave, right and C. M. Youngblood, left. Brave, of 3027 Mockingbird Lane, Youngblood, of Highland, represented the International Harvester Co., two of the companies that sponsored television coverage of the tournament. Sabin, in turn, entrusted the film to Venice Coach Richard Essington.

New program for Army Reserve

A totally new enlistment program for the Army Reserve, designed for men and women in professions and specialties who feel they can't spare the usual initial active duty time away from their civilian jobs, has been initiated.

It is open now to individuals with civilian training and experience in career fields that are comparable to Army Reserve positions.

Those who qualify may enlist as an E-3 and earn \$33 per month for one weekend meeting. They will be required to attend eight weeks of basic training and then will be promoted to E-4 or E-5 to earn between \$80 and \$1,000 per year.

Some job specialties that are in demand in this area are office machine repairmen, metal body workers, welders, machinists, crane operators,

aviation mechanics, operating engineers, mechanics, typists, cooks, and others.

There are also "fringe benefits" to this part time job, a spokesman said. Recently the Army Reserve introduced \$30,000 full-time life insurance to its members. A full-time job will not interfere with duty as a reservist by law.

Additional education in a special field will be paid for. Clothing and uniforms are free and, as it wears out, will be replaced at no cost.

Beginning in October there will be a new pay system that pays once a month rather than quarterly.

Those who stay long enough are eligible for retirement pay, to supplement full-time retirement and social security. A high school graduate between the ages of 18 and 35 with civilian training and experience, may find out about the new enlistment opportunity at the Anderson Ave., Wood River, 254-0174.

Motor fuel tax distributions

Illinois municipalities have been allotted \$6,282,016.03 as their share of motor fuel tax paid into the state treasury during April, according to the Illinois Department of Transportation.

Motor fuel tax funds are allocated monthly to the various municipalities in Illinois for their streets and highways. The monies allocated are computed on the basis of population.

Allotments to cities in this area included \$26,485 to Granite City, \$4,584 to Madison and \$3,046 to Venice.

A state allocation totaling \$2,011,670 also has been made to Illinois counties, including \$81,428 to Madison County.

Township MFT allotments totaled \$2,134,487 statewide, including \$26,785 for townships and road districts in Madison County.

Development fund boosted

Nelson Hagauer, chairman of the Madison County Board, announced Monday that the county has been notified that it will receive an additional \$14,000 in community development funds. The increase raises the total amount which Madison County will receive to \$200,000 for program year 1975. The announcement was made by the HUD area office in Chicago.

Hagauer indicated that since HUD has almost completed its review of the county's initial application, it was the consensus of the county's Community Development Committee and Citizens Advisory Committee that the money be placed in a contingency fund until a determination can be made for its best use.

Franklin drainage job let

A contract for installation of a stormwater drainage line along Franklin Avenue between Ames and Cottage avenues was awarded by the Granite City Council Monday night to the C. D. Peters Construction Co. on the lowest of four bids.

The Peters firm bid \$41,345 for installation of a 27-inch line designed to relieve street flooding conditions along the four-block stretch of Franklin Avenue — a problem protested by delegations of area residents in several council sessions in mid-March.

City Engineer Monroe Brewer said Tuesday after the contract had been awarded by council members, that the work is expected to get under way "almost immediately."

The work will be financed with federal revenue sharing funds. Brewer said the drainage line should eliminate flooding of streets in periods of heavy rains and, in addition to improving drainage conditions along Franklin Avenue also should eliminate street flooding in side streets within the four-block area.

Other bids received included G. H. Sternberg Co., of Granite City, \$43,213; Kamadulski Excavating Co., Granite City, \$52,982; and Modern Asphalt Co., Belleville, \$55,110.

The council Monday night also approved a request by the Illinois Power Co. to make six openings in the 200 block of Cleveland Boulevard for replacement of a four-inch

main, and a request by Illinois Bell Telephone Co. to make an excavation in the alley between Spruce and Maple streets at 20th to install new phone cables.

The council accepted "with regrets" the resignation of the Rev. Roy L. Baugh as a member of the Granite City Public Library Board. Rev. Baugh said he was resigning the post to avoid a possible conflict of interest in board action concerning interior redecoration of the library building. He is now serving as president of the library board.

Alderman Ronald Coleman explained that Mrs. Baugh is associated with a decorating firm that intends to bid on the public library project, and that Rev. Baugh felt his membership on the board would be in conflict in awarding a contract for the work.

A request by Chief of Police Ronald Veizer for \$250 expenses to send Officer Glen Wright (Officer Friendly) to the Smith & Wesson Armory's School in Springfield, Mass., June 23 through July 3, was approved by the council.

Veizer told the aldermen that after Wright's schooling the officer will be assigned responsibility for upkeep of the Police Department's weapons. The aldermen rejected, however, a request by the Board of Fire and Police Commissioners for \$150 in expenses to send Board Member Weldon Burch to a three-day meeting of the Illinois Association of Police and Fire

Commissioners in Decatur, Ill., Friday through Sunday. The council voted 7 to 4 to grant the expense request, but the motion required a minimum of eight votes — a simple majority of the 14 council members. Three council members were absent.

The request was rejected after Alderman Sam Whitner protested that "The activities of the police board are dictated by the statute under which the board operates. They go by the book. I don't know why any of them need to attend a convention."

Dr. Dycus leaving post

Resignation of the Rev. Dr. Ernest M. Dycus as administrator of the United Methodist Village, Lawrenceville, for reasons of health, and appointment of the Rev. Gerald E. Gulley to that administrative office were announced today by Illinois Area Bishop Lance Webb, Springfield.

A former Granite Cityan, Dr. Dycus chose an early retirement after injuries received in a fall last winter made it difficult for him to continue with the duties of administrator. He submitted his resignation to the board of directors at the annual meeting.

In subsequent actions, the board nominated Rev. Gulley to fill the vacancy. Bishop Webb headed the nomination and made the appointment effective as of June 15.

Dr. Dycus has been released from hospital care and expects to return to limited service in the Methodist Village in public relations capacity.

The United Methodist Village, a nursing, health care and retirement center, made its greatest expansion during the 12 years in which Dr. Dycus headed the operation, growing in that period from a single residential building into a multi-million-dollar complex of residential buildings, apartments, family residences and nursing centers.

He and his wife, Geraldine, previously served in several pastorates throughout Southern Illinois.

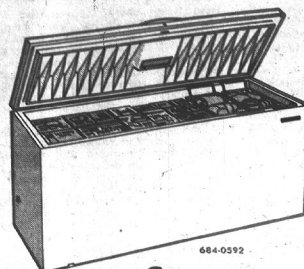

Rev. Gulley joined the Village as associate administrator in 1972 and in recent months shouldered full responsibility as acting administrator.

He is one of three generations of Methodist ministers; he is the son of the Rev. and Mrs. Ewell L. Gulley, and two of his three sons and one daughter are actively engaged in the ministry.

DR. E. M. DYCUS

He and his wife, Dora Ada, have served in various posts, one being Lawrenceville, in which the United Methodist Village is located.

Voice recital by Miss Mills

Eric Mills, daughter of Mrs. Joseph Mills, 2104 Cottage Avenue, will present her senior voice recital at The College of Wooster, Wooster, Ohio, tomorrow.

A student of Karl Trump at Wooster, she also has studied with Dale Moore, head of the voice department at Southern Illinois University at Edwardsville.

For her recital of songs in English, French, Spanish and Italian, she will be accompanied by Daniel Winter, chairman of The College of Wooster's Music Department.

Miss Mills chose to make about half her program in English, pointing out that people sometimes fail to realize there is "gorgeous music written with English lyrics."

While at the college, she has performed before theater and music lovers alike. She played the leading female role in the 1973 premiere production of "Fashion" and also appeared in "Patience," "Butterflies Are Free," "Three Penny Opera" and "Saint Joan," which opened

the campus' new \$1.6 million dollar theater.

Last fall she appeared in a "Ragtime to Gershwin" program and in January presented an evening of Viennese songs, including Mozart, Schubert, Brahms and Wolf.

Miss Mills has received an opera assistantship to do graduate work at the University of Illinois, Champaign-Urbana.

Dixon to talk at Memorial Day program

State Treasurer Alan J. Dixon, the Black Knights Drum and Bugle Corps and the Belleville High School East 50-voice choir will headline the annual Memorial Day observance at Lake View Memorial Gardens on Monday evening, May 26, from 7 to 8 o'clock.

Dixon, the 57th treasurer of Illinois, has spent more than two decades in elected public office in all three branches of government and has gained a reputation as an outstanding public speaker.

He won his first elective office in 1949 at age 21 in his home city of Belleville and when 23 was elected at the state House of Representatives, the youngest member of that General Assembly. He was re-elected to the House for six successive terms and then to the Senate for two consecutive terms before attaining the office he now holds.

Dixon was twice named chairman of the House Judiciary Committee and also served as chairman of the Illinois Judicial Advisory Council.

After two years in the Senate, he was elected assistant minority leader.

The program will open with prayer by the Rev. Sam Totten, pastor of Christ United Methodist Church of Fairview Heights, followed by a flag-raising ceremony in which the American Legion Post 58 color guard raises a flag received from Congressman Melvin Price.

The Belleville East choir will sing "Alleluia" by Williams and "The Battle Hymn of the Republic," as arranged by Fred Waring.

IT'S PITTSBURGH PAINTS
SUN PROOF
Latex HOUSE PAINT

Your house stretches and shrinks with variations in temperature and humidity. It's this expansion and contraction that most often causes house paint to work loose, crack and flake. Come in today for a free color chart.
